*Proceedings of the Madras Government, Revenue Department,
5th February 1866.*

No. 71. Read the following Proceedings of the Board of Revenue, dated 25th January 1866, No. 591.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 22nd December 1865, No. 300 :—

With reference to the Rules on the subject of Uncovenanted Servants holding or acquiring landed property, communicated in the Board's Standing Circular of the 13th October 1862, No. 6,843, I request to be favored with the Board's opinion as to whether there is any objection to a Tahsildar acquiring and holding either by purchase, or on rent, a vegetable and fruit garden of moderate size, say one or two acres, for his own use, within the limits of the Talook over which he presides. My own impression is that it is unobjectionable. Some authoritative decision on the subject is, however, desirable.

The Board do not consider that the order in question applies to a vegetable or fruit garden of moderate size attached to a house-site, but Mr. Grant's question appears to go beyond this, and the Board would wish to have before them the facts of any case that may have actually occurred, before expressing any opinion on the subject.

No. 72. ORDER THEREON, 5th February 1866, No. 302.

Miscellaneous.

The Government will await the information called for by the Board.
