Proceedings of the Madras Government, Revenue Department,
13th November 1866.

No. 276. Read the following Proceedings of the Board of Revenue, dated 7th November 1866.

Read the following :—

Report on the state of season in the Cuddapah District, during the second fortnight in October 1866.

1. The supply of rain received in the fortnight was copious in eight talooks and moderate in three talooks. In six talooks several tanks received supplies of water.

2. In the northern and eastern sections jonna, raggy, korra, horsegram, and variga were sown. In all talooks paddy has been sown. Some raggy and sajja had been harvested in a few localities in the eastern and southern sections.

3. The prices of grain have fallen considerably (50 per cent. in the last month). Cholera still exists in several talooks in a small degree.
