Proceedings of the Madras Government, Revenue Department, 13th November 1866.

No. 303. Read the following Proceedings of the Board of Revenue, dated 7th November 1866:—

Read the following letter from the Acting Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Coimbatore, 3rd November 1866, No. 285.

1. I have the honor to forward the special Sseason Report for the fortnight ending 15th October 1866.

2. There was a general fall of rain all over the district.

Dry land.—Dry crops are improving, and various kinds of grain have been sown in most of the talooks.

Garden land.—Raghee, chilli, and tobacco crops are in a better condition, but wells are as yet dry.

Wet land.—The carr harvest is over. As the late rains were not sufficient to fill all the tanks, great fear is entertained as to the existing paddy crops, which are merely kept moist by showers of rain.

3. The Relief House at Collegal was closed on the 12th ultimo. The other houses are still open.

4. There is no marked fluctuation in prices.

5. Cholera and fever are more or less prevalent in Sattiamungalum, Coimbatore, Collegal, Perindurai, Bhawani, and Carbor Talooks.

6. Pasturage has slightly improved.
