MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Collector of Bellary, 18th September 1866, No. 72; to the Secretary to Government, Revenue Department, Madras.

1. I have the honor to enclose an original letter from my Sub-Collector, with correspondence as per margin, and to request that Government, with reference to paragraph 12, Proceedings of Board of Revenue, No. 5379, dated 31st August 1865, will be pleased to reiterate their Order in the Military Department, for the appointment, on a march, of some responsible Officer of the Corps, whose duty it should be to receive the supplies collected by the Revenue Department; and to arrange for their distribution and payment, handing over the unsold supplies, which will then be disposed of by the Revenue Officer, and the loss, if any, debited to Government.

Commencing 6th December 1865.
1. *Letter from the Acting Sub-Collector, to the Officer Comdg. H. M.'s 18th Hussars, dated 6th Dec.* 1865, *No.* 208.
2. *His reply, No.* $\frac{4}{1931}$, *dated 9th Dec.* 1865.
3. *Sub-Collector's letter, to the Officer Commanding H. M.'s 1st King's Dragoon Guards, dated 27th Jan.* 1866.
4. *His reply, dated 1st Feb.* 1866, *No.* 49.
5. *Sub-Collector's letter, to Collector, No.* 263, *dated 10th Sept.* 1866.

2. It will be observed that in this case, which I find is not a solitary one, the contractor, mess-man, or Commissariat Conicopoly's servant made purchases from the stock provided, offering or paying, what they considered to be the proper price.

About a sum of Rupees 22-8-0.
Translations of Urzies on the subject.

Deposition. 25th August 1866.

3. Whether the cost of collecting supplies at a camping station is to be borne by the troops supplied, or by the Revenue Department, will be for the consideration of Government; but it is obvious that unless a settlement is made between a responsible Commissioned Officer, and the Revenue official at each stage, frequent disputes must arise, difficult, if not impossible, of settlement, at a more remote period.

4. To facilitate the adjustment of account at each stage, I shall have a supply and price list, printed in diglott, English and Telugu, and supplied in duplicate, with additional columns opened to shew the supplies returned as unused; the original will serve as a voucher for receipt of the supplies, to be signed by the responsible Officer of the Corps, and retained by the Revenue servant; the duplicate as a receipt for payment, signed by the Revenue servant, to be retained by the Officer of the Corps. In this manner the Revenue Inspector will be held responsible for all claims arising after the departure of the Corps, and further correspondence obviated; but to carry out this plan, it is obvious that these stage-supply bills should be signed by the responsible Officer of the Corps, who will thus act as a check upon mess-men contractors, and Commissariat Conicopoly's servants.

From the Acting Sub-Collector of Bellary, Anantapoor, 10th September 1866, No. 263; to A. WEDDERBURN, Esq., Collector of Bellary.

6 (To be returned when no longer required.)

1. I have the honor to forward the accompanying papers,* in order that you may settle the matter.

2. The 18th Hussars on their way from Bangalore to Secunderabad in December 1865, halted at Dadaloor in Dhurmavuram Taluq. The Revenue Inspector, who attended them on their march, states that he supplied them with 340

bundles of firewood as well as five bandy loads. The firewood was bought at the rate of 1 Anna a bundle for 288 bundles, and 52 larger ones for 1 Anna 4 Pies each, and each bandy load at the rate of 1 Rupee 8 Annas. The value of the whole of the firewood would thus be Rupees 29-13-4. Besides this, the Revenue Inspector paid out of the advance allowed him Rupees 19-10-8, for bandy hire from Chennacotapally to Dadaloor; he had been directed to have the firewood ready at Chennacotapally, but as the Regiment did not halt there, but went on to Dadaloor, the Revenue Inspector was obliged to get bandies to take on the firewood to Dadaloor.

3. The firewood was all given to Conicopoly of the Regiment, Doorga Naick, who paid nothing. He certainly offered 4 pies a bundle, but as the Revenue Inspector refused to be paid at this rate, nothing at all was paid. None of the firewood has been returned.

4. The Revenue Inspector also states that he paid Rupees 2-1-4, for feeding the fowls he was ordered to provide. He certainly ought to have charged this when he sold the fowls.

5. Mr. Reid wrote to Colonel Knox about this, but you will see from the letter in reply that he suggests a more strict inquiry being made when the Conicopoly returned with the King's Dragoon Guards. Colonel Sayers declined taking any part in the inquiry.

6. I have no means of judging who is in the right, the Revenue Inspector or the Conicopoly. The money with which the firewood was bought was Government money. I must say I think Commanding Officers ought to take care that such cases as this should not arise. The Civil Authorities have no power whatever over the Camp followers: so that it must devolve on the Officers Commanding the Regiments that Government suffer no loss by them. I would propose that in future, the Revenue Authorities should simply deliver over the articles they have to furnish, to the Commanding Officer, or some other Officer appointed by him, who should be required to give a receipt for the articles, that this receipt be forwarded as a voucher for the expense in the Revenue Department, leaving the Military Department to collect the amount due by the several people belonging to the Regiment, and remit the amount to the Revenue Authorities.

From the Acting Sub-Collector of Bellary, 6th December 1865, No. 208; to the Officer Commanding Her Majesty's 18th Hussars.

Appageppa, Revenue Inspector, deputed to supply the Regiment under your Command at Dadaloor, represents to me that Narrainsawmy, mess contractor, took 180 bundles of firewood and five bandy loads of wood and offered to pay at the rate of 4 Pies per each bundle, and 8 Annas per each bandy, and that in consequence no price was received. I have therefore the honor to request that you will be good enough to cause to be collected and forwarded to me, the sum of Rupees 15 for 180 bundles, at the rate of 1 Anna and 4 Pies per each bundle, and Rupees 7-8-0 for five bandies of wood, at the rate of Rupees 1-8-0 per bandy, total Rupees 22-8-0—wood cannot be bought at any cheaper rate in the neighbourhood.

From the Officer Commanding 18th Hussars, Camp Dhonee, 9th December 1865, No. 4/1931; to the Sub-Collector, Bellary.

In reply to your letter, No. 208 of 6th instant, I have the honor to state that I find the mess-man paid, and has got a receipt for all the firewood purchased by him at Dadaloor, and his name is Daniel, not Narrainsawmy. The Commissariat Conicopoly (whose servant's name is Narrainsawmy and who makes purchases for him) got 140 bundles of firewood on the 2nd and 140 bundles on the 3rd instant, for which he states he paid Rupees 14, and has shewn me a sort of receipt for the same signed by one "Appiah" Cutwall. He denies having got any bandy loads of firewood. The Conicopoly will return to Bangalore with the King's Dragoon Guards, and the matter might be more strictly investigated on his reaching Dadaloor there being no evidences in the Regiment under my Command.

From the Acting Sub-Collector, Bellary, 27th January 1866; to the Officer Commanding Her Majesty's 1st King's Dragoon Guards.

I have the honor to forward a copy of a letter received from Colonel Knox, in reply to one of mine asking him Rupees 22-8-0, due for wood by contractor Narrainsawmy.

You will see by that letter that Colonel Knox informed me that the same contractor would accompany the Regiment under your Command on its march to Bangalore. I have therefore the honor to request you will be good enough to order the contractor above mentioned to settle the

account with the Revenue Inspectors, Senkarappah and Appageppa, who superintended the supply of provision to the 18th Hussars, and who will be entrusted to the similar duty towards your Regiment.

From the Officer Commanding 1st King's Dragoon Guards, Camp Pennacondah, 1st February 1866, No. 49; to the Acting Sub-Collector of Bellary.

I have the honor to acknowledge the receipt, this afternoon, of your letter (with one enclosure) dated Hindupur January 27th, 1866.

I would remind you that I have no jurisdiction over debts contracted by the 18th Hussars, and cannot undertake to investigate claims made against public servants while attached to that Regiment.

The Revenue Inspector of Dadaloor who brought me your letter is now in Camp, and I have requested him to communicate with the individual against whom the claim is made.

Translation of Urzi No. 19, dated 6th February 1866, from Kudari Sashagiri Row, Tahsildar of Dhurmavarum, to J. W. Reid, Esq., Acting Sub-Collector of Bellary.

Your instructions, dated 27th January, No. 17, forwarding a letter to the address of the Officer Commanding Her Majesty's 18th Hussars, regarding the non-payment of the price of firewood supplied to the Hussars when encamped at Dadaloor, and directing its delivery to that Officer, through the Revenue Inspector, who furnished the supplies and to take the Conicopoly before the Commanding Officer, having been received by me while I was at Chennacottapully with supplies ready for the 1st King's Dragoons, I sent your instructions to the Revenue Inspector, Appageppah who was ordered by me to be ready at Dadaloor with supplies, and who communicating the contents of the Order to the Conicopoly demanded payment of the money. The Revenue Inspector wrote a reply to me to say that the Conicopoly left without paying the money, and gave a feigned name. I was written to at Chennacottapully to deliver the letter myself, but as the Regiment did not halt there, and went on to Goottoor, I sent the letter with the Revenue Inspector Appageppah, who informed me that he delivered it to the addressee at Pengondah, that that Officer told him that he will send for him and inquire into the matter at 4 P. M., that although he was waiting on him accordingly, yet without sending for him, spoke something to the Conicopoly and gave a reply to your address which I herewith send. I am further informed by the said Appageppah that no money was paid, and that this Conicopoly is the very man who made an account, but went off without paying. As already requested, I beg your instructions to debit to Government the cost of firewood and the cart-hire, &c.

Agreeably to your order, dated the 18th instant, No. 303, to the effect that the late Tahsildar's Urzi No. 19 of the 6th February, requesting that the money which was not paid for firewood supplied to the 18th Hussars at Dadaloor may be recovered from the Conicopoly, and that although he represented the matter to the Officer Commanding 1st King's Dragoon Guards, that Officer promised to inquire into the matter, but did not cause the money to be paid, has been read over again, and directing to send a detailed statement shewing the dates on which the persons to whom the number of bundles and the value of the firewood supplied, the sum paid and the balance due, &c. I beg to forward herewith a statement taken by the Revenue Inspector, and request that the necessary orders may be issued for the recovery of the sum of Rupees 29-13-4, due by Doorganaick, the Conicopoly of Her Majesty's 18th Hussars for firewood supplied to him, and to debit to Go-

vernment the sum of Rupees 21-12-0, being the cart hire for conveying firewood from Chennacottapully to Dadaloor, where the Regiment halted for two days, instead of making a halt at the former place, and the price of grain with which fowls were fed.

Translation of a deposition given by Senkarappah, 3rd class, Revenue Inspector on the 25th August 1866.

The following are the particulars of sums which must be recovered by the Conicopoly of Her Majesty's 18th Hussars, for firewood supplied, when that Regiment halted at Dadaloor, on the 2nd and 3rd December 1865, on its way from Bangalore, and that which must be borne by Government, on account of hire of carts for conveying firewood, and the price of grain with which fowls were fed.

The Conicopoly Doorganaick took firewood of the above value, and without giving its proper price went away saying that he would only pay 4 pies per bundle, should I so wish it, and denied having received some. The people of the Regiment did not buy firewood anywhere else than what I had purchased. The said firewood was paid for by me, from the amount advanced to me by Government for supplies, therefore this sum will have to be recovered from the Conicopoly and credited to Government.

The Regiment having halted 2 days at Dadaloor, instead of halting at Chennacottapully (distance 7½ miles between the two places) the firewood had to be carried upon hired carts to the former place, the amount on account of which, has to be borne by Government is as follows :—

As these expenses have been paid out of the sum advanced by Government, they have to be debited in the accounts and the amount of firewood has to be recovered by the Conicopoly.

There are circular orders to the effect that the Revenue Inspectors should not be made to incur these expenses from their pocket, irrespective of the amount to be borne by Government the remainder has to be recovered from the Conicopoly.

Translation of Arzi No. 19 dated 6th February 1866, from Kudari Sashagiri Row, Tahsildar of Chennavaram to J. C. Reid Esquire Acting Sub Collr. of Pittapuram.

Your instructions dated 27th January No. 17 forwarding a letter to the address of the Officer Commanding H. M. 18th Hussars regarding the non payment of the price of Forage supplied to the Hussars when encamped at Cadalore, and directing its delivery to that Officer, thro' the Revenue Inspector who furnished the supplies and to take the Conicopilly before the Commanding Officer, having been received by me while I was at Chennacottapully with supplies ready for the 1st Kings Dragoons, I sent your instructions to the Revenue Inspector, Appajapah who was ordered by me to be ready at Cadalore with supplies, and who on communicating the contents of the order to the Conicopilly demanded payment of the money. The Revenue Inspector wrote in reply to me to say that the Canacapilly left without paying the money, and gave a feigned name. I was written to at Chennacottapully to deliver the letter myself but as the Regiment did not halt there, and went on to Gantoor, I sent the letter with the Revenue Inspector Appajahah,

who informed me that he delivered it to the addressee at Pengandah, that that Officer told him that he will send for him and Enquire into the matter at P. N., that altho he was waiting on him accordingly yet without sending for him, spoke some thing to the Canicapilly and gave a reply to your address which I herewith send. I am further informed by the said Appajapah that no money was paid and that this Canicapilly is the very man who made an account but must off without paying. As already Requested Pray your instructions to debit to Government the Cost of Paper and the Carriage
