Proceedings of the Madras Government, Revenue Department,
15th November 1866.

No. 347. Read the following Proceedings of the Board of Revenue, dated 5th November 1866, No. 8,011.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated on Circuit at Vytry, Wynaad, 17th October 1866, No. 295:—

1. I have the honor to forward, for the necessary sanction, plan and estimate for a road from Cannanore to Kainar Kunn, on the coast roads.

Rupees 24,000.

2. The execution of this work is very desirable.

It shortens the distance by the Imperial road towards Wynaad by one mile and five furlongs out of five miles and five furlongs. It shortens the length of coast road to Tellicherry by two miles out of five and a half miles, and in passing through the native town of Cannanore, it will doubtless improve its drainage, and open up the town in both directions.

3. The line has hitherto appeared as District Road No. 14, but a definite trace had not been fixed, and I certainly did not expect the estimate to be nearly as high as its present amount.

4. The Superintending Engineer has proposed that, considering the very great advantages the opening of the road will confer, half its cost should be met from Imperial Funds, but that half should still be given from Local Funds.

I think the arrangement fair and reasonable, and request sanction thereto.

5. Rupees 1,500 were allotted from Local Funds for expenditure in the current year. I would give a further sum of Rupees 3,500 for this year from the Reserve, and appropriate either from the Reserve of 1867-68, or by transfer from some other work of that year, a sum up to the balance of Rupees 7,000 that would still be due from Local Funds, equal to any Imperial allotment that may be sanctioned over Rupees 5,000 for expenditure in 1867-68.

Enclosures Nos. 1 and 2.—Plan and Estimate.

Recommended for the sanction of Government.

No. 348. Order thereon, 15th November 1866, No. 3,103.

Local Funds, No. 9.
Civil Works.

The Government cannot sanction so expensive a work, until the more urgent necessities of the district have been met.
