Proceedings of the Madras Government, Revenue Department,
16th November 1866.

No. 373. Read the following Proceedings of the Board of Revenue, dated 8th November 1866 :—

Read Proceedings of the Madras Government, Revenue Department, dated 2nd November 1866, No. 2,965.

1. The Board observe that the work is one of a kind properly chargeable to Local Funds, that its execution is strongly advocated by the Collector and by the Railway officials, and that funds are apparently available; but these funds have been specially granted to provide the means of earning a livelihood, in the present distress, for those who would otherwise be destitute and dependent on charity, and the Board doubt whether a work which consists mainly of a bridge is suitable for this purpose.

2. The Collector will be requested to report on the matter.

No. 374. ORDER THEREON, 16th November 1866, No. 3,120.
