Proceedings of the Madras Government, Revenue Department,
16*th November* 1866.

No. 387. Read the following letter from the Sub-Collector of North Arcot, to the Collector of North Arcot, dated Chittoor, 10th November 1866, No. 567 :—

* Enclosed.

1. With reference to the Proceedings* of the Madras Government, Revenue Department, No. 5, dated the 7th instant, I have the honor, respectfully, to offer the following explanation as to the latter portion of paragraph 2 of my letter, where I am said to have made an improper remark, and to request it may be laid before Government.

2. I was not aware that my application would go before Government at all, and certainly not that paragraph 2 would be supposed to be written with the view of being laid before either Government or the Board. The latter part of the said letter was intended solely for you, and you will have perfectly understood that the inconvenience I alluded to was merely that occasioned by myself in forwarding my application so late last year.

3. I greatly regret that any expression I used should have led to the inference that I was commenting on the acts of Government or my superiors. Nothing could be further from my intention. I trust this explanation will be considered satisfactory, and that it may be in the power of Government to grant me the leave applied for, of which I am greatly in need.
