Pootoor having been abandoned as the head quarter Station of the Head Assistant Collector of the South Canara District, and it being most centrally situated for head quarters of the Pootoor Range Office, the Collector has kindly consented to give a portion of the Cutcherry for the use of the Range Officer whose Office at Oopinangady will answer for the Táluq Overseer's Office. The accompanying plan and estimate of alterations and additions required are submitted for the sanction of Government, from funds to be provided by transfer from the balance of the allotment under the head of Minor New Works, Communications, in Malabar.

In lieu of the transfer of Rupees 345 from the Malabar Minor New Works allotment under Communications, applied for in my letter No. 154 of 24th October, but which cannot now be carried out, I have the honor to request that should Government be pleased to approve of the estimate* for Pootoor Range Office, submitted with the letter above quoted, Rupees 200 be transferred from Coimbatore Minor New Works allotment under "Civil Buildings," to supplement the balance of Rupees 145 now available under the head of Communications, Minor New Works, Canara.

It being understood that a portion of the old Military Hospital at Pootoor can be made available for a Range Office, the Government sanction the estimate of Rupees 345 for the required alterations to adapt it to the purpose, and authorize the transfer of funds recommended by Colonel Walker in the second of the letters above recorded.
