Proceedings of the Madras Government, Revenue Department,
17th November 1866.

No. 420. Read the following Proceedings of the Board of Revenue, dated 29th October 1866, No. 7,817.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 12th October 1866, No. 305:—

1. I have the honor to forward, countersigned, an estimate* for Rupees 5,360, received from the Superintending Engineer, 4th Division, for the formation of a local road from Nendragunta on second class Road No. 7 to Penamari, the cusbah of the old talook of that name. The length is only some six miles, and the work, when completed, will connect the local road which now stops short at Penamari, with the high roads at Tripatti and Cuddapah, besides giving access to the jungles of Natskur, the most valuable forest tract in this neighbourhood.

* With two Plans.
One Survey.
One Report.

2. The project has been taken up at my own instance, and will, when finished, complete the net work of local communications in that direction. I beg therefore to request that the sanction of Government may be accorded to its early execution.

3. Provision has, to the extent of Rupees 2,000, been made in my revised Local Fund Budget, submitted to Board on the 31st August 1866.

4. It may not be possible, owing to the disturbance caused by relief operations in the original distribution of our funds, to put the work into hand this season; but I should like to have the power to do so, to the limit of the Budget provision, if it be found that there is money available.
