*Proceedings of the Madras Government, Revenue Department,
6th February 1866.*

No. 98. Read the following Proceedings of the Board of Revenue, dated 15th January 1866, No. 309.

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated Camp, Malloor, 24th November 1865, No. 155 :—

With reference to the Board's Proceedings, dated the 6th September 1864, No. 5,795, forwarding a Cotton Gin for trial in this District, I have the honor to state that the result of its working was unfavorable. I have myself put into the hopper some Peruvian Cotton grown in the nursery garden at Salem, and found it did not clear the cotton from the seeds perfectly. There is too much friction, and the labor of turning the machine is considerable; I do not think that the Ryots would prefer this machine to their own.

1. Submitted for the information of Government, with reference to Board's Proceedings, dated 3rd November 1865, No. 7,078A.

2. The Gin reported upon is one of the Cotton Saw Gins adverted to in Government Order, 20th August 1864, No. 1,508.

3. The Collector is requested to return the Gin to Madras.

No. 99. ORDER THEREON, 6th February 1866, No. 315.
