Proceedings of the Madras Government, Public Works Department, 13th November 1866.

Read the following letters:—

No. 240. From the Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 7th September 1866, No. 1,480.

1. With reference to Government Order of the 27th August 1866, No. 2,732, I have the honor to report that an East Indian Inspector, on Rupees 50, is now stationed at Arnee. Rupees 4 per mensem would be a fair amount for him to pay.

2. Should a Native Inspector be sent to Arnee, the rooms referred to would not be required by the Police.

No. 241. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Palar Anicut, 31st October 1866, No. 2,889.

1 Estimate (Abstract).
1 Plan.

1. In accordance with paragraph 1 of the Order of Government No. 2,732, dated 29th August 1866, I have the honor to submit herewith an estimate, amounting to Rupees 900, for repairing portions of the range of public buildings in the Fort of Arnee, in the Polur Range, North Arcot District. An estimate, amounting to Rupees 820, approved by the Collector of North Arcot, for repairing other portions of the same range of buildings occupied as a Range Office, Range Officer's quarters, and rooms for travellers, was sanctioned for execution on the 18th July 1866, by the Officiating Superintending Engineer, at the urgent request of the Sub-Engineer, who represented that if the buildings were not repaired, they would become ruins in the ensuing monsoon. If the estimate now forwarded be carried out, the whole range of buildings will be placed in thorough order.

2. The amount, Rupees 900, can be met from the District grant for Civil Buildings Repairs.

3. In reference to paragraph 2 of the Order of Government, I beg to report that I consider Rupees 15 per mensem a fair rent to be paid by Mr. Bevan for the quarters occupied by him in the Arnee Fort. A plan of the whole range of buildings, showing how it is proposed to allot the several rooms amongst the different Officers, is enclosed.

No. 242. ORDER THEREON, 13th November 1866, No. 3,601.

CIVIL WORKS, No. 53.

1. The Government sanction the estimate of Rupees 900 for repairs to a portion of the buildings known as the Subaltern's quarters in the Arnee Fort, the cost being met from the source pointed out by the Superintending Engineer of the 4th Division.

2. A monthly rent of 15 and 4 Rupees will be recovered from the Range Officer and Police Inspector respectively for the quarters which have been allotted to them, as recommended in the papers above read.
