Proceedings of the Madras Government, Revenue Department, 22nd November 1866.

No. 533. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 16th November 1866, No. 2,081 :—

I have the honor to inform you that when Mr. Guiezelar, the Head Overseer in the Salem Range, was suspended, Lieutenant Walker, the Deputy Conservator, paid certain sums found in the range cash chest into the treasury, and credited the same to Government, all the amount being supposed to be sale proceeds of confiscated timber. Lieutenant Walker has, however, since received petitions from several of the departmental subordinates, who had been acting as Pygusts or Peons, or been transferred to other ranges, that pay was due to them for a certain number of days, and after a strict enquiry he has ascertained that a sum of Rupees 14-2-8 is due as pay, and that this sum should have been disbursed to these men, and not have been paid into the treasury. I request therefore that Government will sanction a refund of the same from the treasury.
