BUDGET AND RESOURCE DEPARTMENT.

**OFFICIAL MEMO.**

With reference to Financial Resolution of the Government of India, No. 270, dated the 1st May last, published in the Fort Saint George Gazette of the 18th idem, page 850, which ruled that the ensuing Official year 1867-68 shall commence on the 1st April 1867, the undersigned has the honor to request that Heads of Departments and other Officers who furnish Civil Budget Estimates, will be good enough to forward those Returns to the Local Government, so as to reach them at latest on the 1st October next.

The Estimates should include transactions from 1st April 1867 to 31st March 1868 and the amounts to be entered in the column "1866-67" are the probable Receipts and Disbursements from 1st May 1866 to 31st March 1867. These figures will be shortly communicated, if possible, by this Department, to the Officers concerned; but should delay unavoidably occur, the despatch of the Estimate to Government must not be delayed beyond the prescribed date. From the Budget grants for 1866-67 the probable receipts and payments to be incurred in April 1867 should be excluded, the fixed charges being calculated at 1/12th of the assignment for the year.

The Estimates of some Departments for past years not having afforded sufficient explanation regarding the variations between the Estimates for the current and the ensuing years, it is requested that the fullest information on the subject may be supplied on the present occasion and in future, every item of increase or decrease, however small in amount, being clearly accounted for.
