Proceedings of the Madras Government, Public Works Department, 20th November 1866.

No. 422. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 8th November 1866, No. 939 :—

With reference to G. O. No. 3,669 of the 23rd December 1864, I have the honor to observe that the items which made up Rupees 65,716, for the Vadarnium canal, were given in my letter No. 960, of the 5th September 1865, and included Rupees 1,716 for compensation for land taken up for the new cut excavated in 1864-65, under an estimate of Rupees 22,565 sanctioned in G. O. No. 3,511, dated 30th November 1863.

2. In sanctioning the estimate of Rupees 64,000, no notice was taken of the Rupees 1,716 for compensation for this land; it will not be possible to spare funds from the balance of the allotment for the work in 1866-67, but I would solicit permission to disburse the amount early in 1867-68, and should the saving on the estimate of Rupees 70,410 now sanctioned not cover the amount, a supplemental grant may be made when the canal is completed.

G. O. No. 3,101, dated 19th October 1865.

G. O. No. 2,736, dated 29th August 1866.

No. 423. ORDER THEREON, 20th November 1866, No. 3,691.

ACCOUNT, No. 33.

The proposal which is made in paragraph 2 of this letter is approved.
