MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General. Here enter 16th December 1865, No. 11,962.
Report from the Contr. of Milly. Accounts. „ 21st „ „ F.

Memorandum from the Quarter Master General, Fort Saint George, 16th December 1865, No. 11,962; to the Secretary to Government, Military Department.

Forwarded, for the approval of Government, with reference to Order of Government, No. 4445, dated 2nd December 1865.

Draft G. O. O. O.

The Commander-in-Chief having ascertained that the establishment of Cart Funds in the Native Army is considered desirable, for the purpose of assisting in defraying the expenses attending the hire of carts from one station to another, in course of relief, directs, with the sanction of Government, that the following rules be adopted :—

1. That a Cart Fund be established in every Regiment of Native Troops.
2. That after a Regiment shall have been two years at its new station, stoppages shall be commenced to meet the probable expenditure of the next relief.

3. That the minimum rate shall be as follows :—

And ranks corresponding under G. O. G., No. 411 of 1861, paragraph 1.	Rupee	1 for a Subadar.
	Annas	12 „ Jemadar.
	„	8 „ Havildar.
	„	5 „ Naigue.
	„	3 „ Private, and all authorized Regimental followers.

4. That whenever a Regiment is ordered to move, this rate be regulated at the discretion of the Commanding Officer, with reference to the charge for cart hire to be incurred.

5. That the stoppages from Regiments on foreign service commence after they have been 1½ years abroad, to pay for the carriage of their families to Regimental Head Quarters.

6. That the money collected, be placed periodically in the Government Savings' Bank, a small sum being reserved in the Regimental Cash chest, to adjust the estates of casualties, &c. The deposit being made in the individual name of the Commanding Officer or the Adjutant, or both. Any loss of interest occurring on changing the depositor's name, being adjusted regimentally.

7. Under the Hutting Rules, paragraph 74, the value of the huts advanced by Government to a Regiment about to march, is available to assist the men in paying for their carriage, and can be added to the Cart Fund in whole or in part, at the discretion of the Officer Commanding the Regiment, which, it is assumed, will afford ample means to adjust the hire of the carts for the whole distance.

8. On occasion of a Regiment embarking for foreign service, the money will be available for the carriage of the families to their homes, and in the event of the Railway, or any other mode of conveyance being used, the money will be equally available.

9. The difference between the old rates of cart hire and those now prevailing is for the present paid by Government.

10. The employment of the Cart Fund for any purposes, even temporary, other than those specified in this Order, is forbidden.

11. All subsidiary rules and minor details connected with the Cart Fund, will be provided for under Regimental arrangements and orders.

12. The funds will invariably be closed and adjusted with the men on the arrival of the Corps, at its new station.

13. The above rules will not apply to the Native Artillery at Cuttack and Mangalore, nor to the Corps of Sappers and Miners.

With Report from the Controller of Military Accounts, 21st December 1865, F.

ORDER, No. 436, 1st February 1866.
