No. 714. Proceedings of the Board of Revenue, dated 27th September 1866,
No. 6,946.

Read the following letter from the Officiating Collector of Tanjore, to the Secretary
to the Board of Revenue, dated 11th September 1866, No. 242.

1. With reference to the provision which has been made for the item Office
Rent, under the head "4 Land Revenue," in the Budget Estimate of Charges for
1867-68, submitted on the 31st August 1866, I have the honor to address the Board
specially as follows.

2. The Talook Catcherry at Tanjore is held in a building belonging to His
Highness the late Rajah, and for this accommodation an annual rent of Rupees
540 has been sanctioned in the Proceedings of Government, Political Department,
dated the 27th June 1863, No. 179. No provision, however, having been made for
this charge in the Budget Estimates submitted for previous years, the arrears of
rent due up to the 30th April 1865, together with the amount payable during the
year 1865-66 for this and certain other buildings, amounting in the aggregate to
Rupees 3,100, were included in the estimate submitted for that year with the
necessary explanation; but in the sanctioned estimate only Rupees 2,000 were
allowed. This outstanding arrear, together with the amount payable during the
current year, making up together Rupees 2,000, was therefore again entered in the
estimate submitted for 1866-67; but the Madras Government restricted the amount
to the small sum of Rupees 168, which is about the sum actually paid for certain
other buildings in 1864-65.

3. Hence the arrears of rent due for the accommodation above-mentioned,
after deducting what has been covered by the sanctioned Budget of 1865-66,
remain unpaid to this date. It is, therefore, necessary to provide, in the estimate
for 1867-68, for the arrears due up to the end of the current official year, as also
for the payment to be made during the year to which the estimate refers, and
the aggregate amount of the provision required to be thus made comes to
Rupees 2,340. This sum has accordingly been entered in the Budget Estimate
submitted for 1867-68, and I beg to request that the Board will adopt the
needful measures to secure eventual sanction to the amount specified, without any
reduction similar to that made in the previous estimates. I may add that H. H.
Kamakshibhaye Sahiba's forbearance in never pressing for what is justly her due
is very remarkable, and that it certainly entitles her to a prompt settlement of this
outstanding balance in her favor.

1. Submitted to Government, with the Board's request that the Collector may
be authorized to disburse at once to H. H. Kamakshibhaye Sahiba the arrears of
rent due for the building in question, as well as the rent for the current year,
amounting altogether to Rupees 1,800.

2. The provision in the Budget for the coming official year will be reduced
to the requirements for 1867-68.

3. The Collector has been in error in supposing that the reduction or
disallowance of a Budget provision is equivalent to the cancellation of a sanctioned
charge.

I made the arrangement of St. Vincent
Row House for use as the Salook Masidam
Cutcherry. but I never contemplated payment
for it, as rent, of Rs 45. - The Collector should
be ordered to order with the Sub. Eng. to
have plans prepared for a Cutcherry of the
usual class, as it has been determined not
to have the proposed new jail in the little
Fort. (see some correspondence lately) it would be
convenient I think to put there the new
Salook Cutcherry - There seems no reason
why the work of the Sub. & the Court House
