*Proceedings of the Madras Government, Revenue Department,
30th November 1866.*

No. 727. Read the following Endorsement of the Accountant General, dated 16th November 1866:—

Read the following letter from the Collector of South Arcot, to the Secretary to Government, through the Accountant General, Madras, dated Cuddalore, 30th October 1866, No. 55.

1. I have the honor to submit, for the orders of Government, the case of Teroomalacharry, whom I nominated as first class Revenue Inspector in Cuddalore Talook, on a salary of Rupees 30, which the Accountant General declined to pass, on the ground that Teroomalacharry has not passed the General Test Examination.

2. Teroomalacharry has been in the service of Government on the regular establishment for upwards of nineteen years, of which sixteen years has been continuous commencing in November 1849. In July 1855 he lost his permanent appointment of Salt Superintendent of Teagavelly, in consequence of the revision of establishments in that department, and he was for a long while without employ. On the opportunity offering for his re-employment, I nominated him in November last as Revenue Inspector of the first grade.

3. In objecting to pass the salary, the Accountant General observed that the sanction of Government should be obtained for employing Teroomalacharry on a salary above 25 Rupees, as he had not passed the test, and it was suggested that an application be made under paragraph 18 of the Uncovenanted Servants' Vade Mecum, page 3. The case of Teroomalacharry is one that comes fairly under this paragraph, and I have to request, therefore, that authority may be granted for his employment in offices of which the salary exceeds Rupees 25, without passing the examination, and I further solicit sanction for disbursement to him of the difference of pay due in arrears from the date of his nomination.

Submitted for the favorable consideration and orders of Government. The continuous service of Teroomalacharry on the permanent establishment, before he was thrown out of employ in 1865, having exceeded sixteen years, his case is one that comes under the Notification of Government, No. 680, dated 2nd May 1859, Gazette page 909.
