*Proceedings of the Madras Government, Revenue Department,
1st December 1866.*

No. 13. Read the following letter from the Collector of Trichinopoly, to the Secretary to Government, Revenue Department, Fort Saint George, dated Trichinopoly, 20th November 1866, No. 59 :—

1. I have the honor to acknowledge the receipt of the Proceedings of Government, dated 3rd instant, No. 2,985, observing that the Title Deed forwarded to this Office, with their Order No. 601, dated 8th March last, has not yet reached the Receiver of the Carnatic Property, and requesting me, whilst drawing my attention to the last mentioned Order, to forward the Deed in question to Mr. Dale duly filled up.

2. In his letter No. 38, dated 6th March last, paragraph 4, Mr. Dale requested Government to forward the Deed to the then Acting Collector, "with a request that he will, on Mr. Richardson's arrival at Trichinopoly, afford him any assistance he may require for determining the boundaries and extent of that hamlet, and then that he (the Collector) should have those particulars filled into the two columns left blank, and deliver the Deed to Mr. Richardson."

3. The aforesaid Order, No. 601, was passed on this letter, directing the Acting Collector to act as suggested by Mr. Dale.

4. On the 14th March, Mr. Pochin sent an order to the Trichinopoly Tahsildar to afford Mr. Richardson, on his arrival, every information and aid he may stand in need of, and to furnish this Office with a Memorandum of the boundaries and extent for filling in the two blank columns in the Deed.

5. Mr. Richardson had scarcely arrived before he left again for Madras, as the sale he had been authorized to conduct was stopped under instructions from Mr. Dale.

6. As above shewn, the Government Order No. 601, and Mr. Dale's requisition on which that Order was passed, clearly point out that the Collector should, on Mr. Richardson's arrival here, afford him any assistance he may require for determining the boundaries and extent of the hamlet of Vaddeloor, and then have those particulars filled in, in the blank columns of the Title Deed, and deliver the Deed to Mr. Richardson.

7. Mr. Richardson demanded no information, nor had he any occasion to do so, as the sale was stopped. The course prescribed by Mr. Dale for the Collector to pursue, after rendering the required assistance to Mr. Richardson in determining the boundaries, &c., was not therefore followed, that is to say, the boundaries and extent were not ascertained and entered in the Title Deed, and the document returned to Mr. Richardson, as the fulfilment of this duty was specially reserved pending Mr. Richardson's arrival, and the determination he should arrive at concerning the boundaries and extent.

8. Mr. Dale has, on the 30th ultimo, requested me to fill in the Title Deed and return it to him, as he proposes to offer the hamlet for sale at a short date, and I have at once called on the Tahsildar to ascertain and furnish the required information, and I will, without delay, comply with Mr. Dale's requisition.

9. The object of this reference to Government is to submit to them that there was nothing wanting on the part of this department towards meeting with Mr. Dale's wishes, as that gentleman would apparently lead Government to infer.
