No. 19. Read the following Proceedings of the Board of Revenue, dated 21st November 1866, No. 8,411.

Read the following letter from RAI RAYA RAI KANDI NARSINGA ROW, pensioned Head Sheristadar to the Board of Revenue, to the Secretary to the Board of Revenue, dated Triplicane, 14th November 1866 :—

1. I have the honor to request that you will be pleased to move the Board to obtain for me the approval and confirmation of Government, for the following dispensation I propose to make of my second and third life-pensions.

2. The Government have rewarded my services with the grant of a pension for three lives, that for the first life, or for myself, being at the rate of 800 Rupees per mensem; that for the second life, at 400 Rupees per mensem; and that for the third life, at 200 Rupees per mensem.

3. I have three sons by my second wife, viz., Rama Row, Latchman Row, and Kistna Row, and a grandson named Venkata Kistna Row, the only son of Venkoba Row, my deceased eldest son by my late first wife. This grandson, for the purposes of inheritance, shall, I desire, stand *juri representations* in the place of his deceased father. It is accordingly my wish, that my second life-pension of 400 Rupees a month should be equally divided among my three sons and grandson above-named, to wit, 100 Rupees per mensem to each. I also desire that my third life-pension of 200 Rupees per mensem, should be divided on the same principle among the heirs of my sons and grandson.

4. I therefore beg that the Government will be pleased to give effect to these my wishes, and permit the second life-pension to be drawn by my eldest son, Rama Row, or in case of his death, by the eldest surviving son, whose duty it will be to hand over to each his respective share; or, in case of my sons and grandson not agreeing to abide by such an arrangement, I request that the Government will be pleased to have the pension divided in the aforesaid manner, and separately paid to my sons and grandson. I further beg to request that a similar arrangement may be adopted in the dispensation of my third life-pension.

5. The Government have already shewn me every consideration, and the object of my present application is only to secure the proper distribution and enjoyment of their bounty by my heirs, by preventing any misunderstandings hereafter in the family.

6. Trusting that the Board will be pleased to comply with my request.

1 Submitted to Government, with the Board's request that effect may be given to Narsinga Row's wishes as expressed in the above letter.

2. The bounty of Government was bestowed on the family in recognition of Narsinga Row's faithful and long service, and every consideration is due to his expressed wishes as to the disposal of that which he earned.

No. 20. ORDER THEREON, 1st December 1866, No. 3,281.

Miscellaneous.

The Government accede to the Board's recommendation in support of R. R. R. Kandi Narsinga Row's wishes as to the disposal of his well-earned pensions.

For Orben.

The pension to Nora
Sinifarn's heirs for two
generations, was an
act of grace and
a recognition of his
personal services. I
conclude therefore that
his request may be
complied with.
