

No 38.

Mallore Collector's Office
14th August 1866.

From

J. W. B. Dykes Esquire,
Collector of Mallore.

To,

J. D. Sim Esquire,
Secretary to Government, Revenue
Department, Fort St. George.

Sir,

I have the honor to acknowledge the receipt of your official Memorandum of the 10th inst, requesting me to state at my earliest convenience when the boundaries of the Mallore and North Arcot Districts were last fixed, and whether there was any public proclamation of them, and if so whether it was published in the Fort St. George Gazette.

2

The boundaries of Mallore and North

Arcot

Alcot were last fixed in 1808, from
the Board's letter to Government of the
7th March of that year it is clear that
a proclamation was made on the subject;
and as the Port St. George Gazette did
not come into existence till 1832, it
is equally clear that other means must
have been adopted to secure the requi-
site publicity.

3. The proclamation referred to by the
Board may be in the records of the North
Arist District; it is not so far as I am
aware to be found among the records
of this District.

Regulation IX of 1808, passed
four months after the correspondence
referred to, gave the territorial details

of the change, but neither in this Regu-
lation or else where is there any refer-
ence to boundaries further than what
is conveyed by the transfer of the "Vankar
tagherry District".

5. And as summing up what is
on our records as to boundaries, I beg to
forward a copy of the Printed Selections
Territorial and financial, which
give at page 17 the information I
have now done myself the honour to submit.

I have the honor to be

Sir

Your most obed^t servant

H. N. R.

Collector
