*Proceedings of the Madras Government, Revenue Department,
10th December 1866*

No. 107. Read the following letter from the Accountant General to the Government of Madras, to the Secretary to Government, Revenue Department, dated Fort Saint George, 19th November 1866, No. 282 :—

1. With reference to the Proceedings of Government in the Revenue Department, No. 2,991, dated the 5th instant, referring, for my remarks, an application from the Superintendent of Revenue Survey for the transfer of probable savings, amounting to Rupees 56,866, from the Revenue Settlement to the Revenue Survey Budget, I have the honor to state, that as the charges of both those departments fall under the same major head of service, viz., "4 Land Revenue," the Local

Government may sanction* the transfer without reference to the Supreme Government.

2. The enclosure of the above Proceedings of Government is herewith returned.

No. 108. ORDER THEREON, 10th December 1866, No. 3,320.

Land Revenue.

Ordered that the transfer be made accordingly.

Offr. Director Rev. Settlement

Sir,

The Budget estimate of the Revenue Survey for 1865/66 was reduced by 5,000 Rupees by the order of the Government of India. In consequence of this, and of the Demarcation of the Madras & Gungam districts having been ordered to be undertaken by the Survey Department, I found it necessary to ask your assistance out of the total amount sanctioned for the Survey and Settlement Departments combined.

2. The Budget estimate for 1866/67, as passed by the Local Government, amounted to Rs. 6,16,000.

Deducting 1/12th as per order of Government of India dated 1st May 1866 No. 270, there remained Rs. 5,64,667.

The expenditure of the Survey for the last 5 months has amounted to 2,32,714 at the rate of 46,543 Rs. per month.

3. During the remaining 6 months, the expenditure will be likely to be much greater for the following reasons:

Very little measurement allowance has been

as

as yet drawn, but Bills are now in preparation for a considerable sum. The salaries of certain officers in the survey have been increased, the survey of the Midgherry Mills is being carried on, and an increased number of men must shortly be sent there. It is probable that the Government may see fit to order that the Demarcation of the Coimbatore District should be resumed.

I believe that you are likely, in consequence of reduction of establishments, to have a considerable surplus. I venture to suggest that it would be advisable to retain the surplus in order to supplement the survey Budget.

A sum of Rs 1,29,500 was struck out of the Prov. Govt. of India Survey Budget by the Government of India, of that amount 2,00,00 Rs have been restored. If the expenditure of the survey were to be restricted to the limits assigned by the Supreme Government, the greater part of the survey would be without pay for the last two months of the official year.
