PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memo. from the Offg. Quarter Master Genl.... Here enter 8th November 1866, No. $\frac{874}{8829}$.

Report from Controller of Military Accounts.. ,, 14th ,, A.

Memorandum from the Officiating Quarter Master General, Head Quarters, Ootacamund, 8th November 1866, No. $\frac{874}{8829}$; to the Secretary to Government, Military Department, Fort Saint George.

The Commander-in-Chief has the honor to request that sanction may be accorded to the old travellers' bungalow at Kurnool being repaired and temporarily used as a Rest house, until the Rest house authorized in Proceedings* of Government, No. 2436, dated 2nd August 1866, Public Works Department, is built.

2. His Excellency also requests the sanction of Government to the entertainment of the regulated establishment† for the above Rest house.

1 *Waterman.*

From the Officer Commanding Ceded Districts, Head Quarters, Bellary, 4th October 1866, No. 111; to the Quarter Master General, Head Quarters, Ootacamund.

I have the honor to request that you will do me the favor to move His Excellency the Commander-in-Chief, to obtain the sanction of Government, for establishing a regular Rest house at Kurnool, for the use of European troops passing through that station. This arrangement is very much needed, there being no barracks or troops of the above description at that place, while at the same time many parties go through it en-route to and from Secunderabad.

2. A short time ago, it was proposed to pull down the old travellers' bungalow, a new one having been built, but I requested that it should be reserved to be made use of as a temporary Rest house.

3. The building is now used as such, but there being no person in immediate charge of it, nor any establishment of any sort attached to it, frequent complaints are received of its bad state of repair and dirtiness.

4. I now seek authority to constitute the building into a regular Rest house to have such trifling repairs, as are urgently needed, to prevent its falling into ruins, and at the same time to suffice for parties requiring shelter executed, and to entertain a sweeper permanently, (to keep the place clean) and to hire a cook and waterman as occasion may require.

5. I propose to visit Kurnool early in December with the Deputy Inspector General of Hospitals, and expect to meet the Superintending Engineer there, when I shall again address you on this subject, after making a minute inspection of the building and taking other matters, with reference to it, into consideration—my object at present is chiefly to render the place habitable and secure a small establishment to ensure its cleanliness.

6. I have requested the Engineer Department to furnish me with an estimate of the repairs required, which I will submit to you, when received.

With report from the Controller of Military Accounts, 14th November 1866, *A.*

ORDER, No. 4112, 26th November 1866.

The proposed arrangements, regarding the old travellers' bungalow at Kurnool being appropriated temporarily as a Rest-house, are approved, and the regulated establishment sanctioned.

2. The papers will be communicated to the Department Public Works, in view to orders being issued for the required repairs to the building being effected as early as practicable.
