Proceedings of the Madras Government, Revenue Department, 12th December 1866.

No. 191. Read the following letter from the Collector of Vizagapatam, to the Secretary to Government, Revenue Department, Fort Saint George, dated Vizagapatam, 1st October 1866, No. 746 :—

1. I beg to enclose copy of a letter I have had occasion to address to the Salt Deputy Collector, together with copy of that gentleman's reply.

2. The candour exhibited by Mr. Pritchard in this statement, affords the strongest encouragement to a belief in the sincerity of his contrition, and his assurances of amendment. I would beg to be allowed to add my entreaty to his, that he may have an opportunity of proving the same: I mean of course in some other district. After what has occurred, he could not be continued here with advantage to the public service.

No. 192. ORDER THEREON, 12th December 1866, No. 3,353.

Miscellaneous.

1. In consideration of Mr. Pritchard's youth, the good character he has hitherto borne, and the contrition he has expressed, the Governor in Council is pleased to give him an opportunity of retrieving his position, as recommended by the Collector.

2. Mr. Pritchard will be transferred to the Nellore District, and the Governor in Council trusts that he will shew by his future conduct that the leniency now shewn to him has not been unappreciated.

No. 743.

To,

T. Pritchard Esquire,
Deputy Collector, Salt Department
Vizagapatam

Sir,

It has come to my notice not only that your habits are the reverse of sober, but that on several occasions during the brief term that has elapsed since your arrival in this district, you have been seen at divers public places in a state of inebriety.

2. It will be my painful duty to move Government to bring you to trial on charges arising out of the above mentioned information, the truth or falsehood of which you best know. If knowing yourself guilty, you prefer resigning at once to standing your trial, I am of course ready to transmit your resignation to the proper quarter, but this is a matter entirely for your own consideration.

3. Pending the receipt of a reply to this letter, I beg to decline holding any personal communication with you.

I have &c.

Collector,
Vizagapatam.

Sir,

In reply to your letter No. 743 dated 29th September, I regret to state that I must admit the substantial Correctness of the information that has reached you. A very small quantity of stimulent gets the mastery of me, and I am afraid I have more than once forgotten this of late.

2. I beg to throw myself on the indulgent Consideration of the Government. I have served in various responsible situations for six years, and have, I believe given satisfaction in all.

3 The present Case will be a life long warning to me. I earnestly trust that my imprudence may be overlooked, and I will pledge my word of honor that no Cause of Complaint shall arise for the future.

On 10th July 1866 the Officiating Director of Revenue Settlements reported that as the Kurnool party had more than a full complement of Assistants, Mr. Brittchard's services could be dispensed with; and Government in Proceedings of 31st July 1866 No. 1905, directed him to take up his substantive appointments in the Vizagapatam District; which he did at once.
