Proceedings of the Madras Government, Revenue Department, 13th December 1866.

No. 212. Read the following Despatch from the Right Honorable the Secretary of Stat for India, (Financial Department), to His Excellency the Right Honorable the Governor in Council, Fort Saint George, dated India Office, London, 17th October 1866, No. 80:—

With reference to paragraph 3 of the Financial Despatch, dated the 23rd August last, No. 69, I forward herewith extract of a letter from Dr. Watson, dated the 5th instant, and I have to request that the arrangements made in regard to the deposit of the Volumes of the Textile Manufactures of India may be communicated to me.

Extract letter from Dr. Forbes Watson, dated 5th October 1866.

* * * it is very desirable that the arrangements effected in India, with the view of allowing the work to be turned to account, should, in due course, be intimated not only in India, but also to us here, in order that we may be in a position to let people know when the corresponding sets have actually been deposited for reference; without this information we should not even know which town in the North-West Provinces, the Punjab, or in Berar, has been selected, to say nothing of the inconvenience to the Agent in India of having to hunt for the whereabouts of the set planted in such a big place as Calcutta for instance.

The *where* and in *whose charge* should therefore be made known.

No. 213. ORDER THEREON, 13th December 1866, No. 3,364.

Miscellaneous.

The Secretary of State will be informed that the Volumes in question have been deposited in the Government Museum, in charge of Captain J. Mitchell the Superintendent.
