*Proceedings of the Madras Government, Revenue Department,
7th February 1866.*

No. 140. Read the following letter from the Acting Sub-Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 16th January 1866, No. 355 :—

1. I am directed by the Board of Revenue to request the sanction of Government to a refund of Rupees 101-15-6, under the following circumstances :—

2. In Extract from Minutes of Consultation, 8th March 1858, No. 303, paragraph 10, the Government in passing orders upon the Tabular report on lapsed náms in the Vizagapatam District for the third and fourth quarters of 1856, directed the continuance for life to one Prayaga Bramanna (Case No. 10) of two visams of Inám land, the Board being left to settle the amount of Cuttoobady, to be thereafter paid, on receipt of certain information from the Collector.

3. This information, however, was never received, nor was any action taken upon the Order of Government, though duly communicated to the District.

4. In the meantime the same two visams came again under the consideration of Government in connection with the lapse of another portion of the original Inám of which these two visams formed a part, and it was then directed (Extract from Minutes of Consultation, 12th April 1858, No. 471,) that this latter part, as well as two other shares, should be resumed as unauthorized alienations by the villagers.

5. It will thus appear that the share held by Prayaga Bramanna was eventually resumed, though orders had been issued for its continuance to him for life. The two orders were passed, it will be observed, within a few weeks of each other, but having reference to different statements of a complicated nature, the mistake was not extraordinary.

6. This individual has recently petitioned the Board on the subject, and as on inquiry the facts of the case appeared as above stated, the Board directed* the

Collector to carry out the original order of March 1858, *i. e.*, to restore the Inám to the Petitioner on life tenure, and to report what the mesne profits from the land have been, in order that steps might be taken to re-imburse the Inámdar.

7. Mr. Carmichael has accordingly carried out the Board's directions, and reports that the mesne profits from the year of resumption to 25th November last, when the land was restored, amount to Rupees 101-15-6.

8. I am accordingly directed to request sanction for the refund of this amount to the Inámdar.

9. The Collector proposes to fix a quit-rent of three Rupees upon the land, and this sum will be collected retrospectively.

From C. G. MASTER, Esq., Acting Sub-Secretary to the Board of Revenue,
To J. D. SIM, Esq., Secretary to Government, Revenue Department.

SIR,

I am directed by the Board of Revenue to request the sanction of Government to a refund of Rupees 101-15-6, under the following circumstances:—

2. In Extract from Minutes of Consultation, 8th March 1858, No. 303, paragraph 10, the Government in passing orders upon the Tabular report on lapsed Inams in the Vizagapatam District for the third and fourth quarters of 1856, directed the continuance for life to one Prayaga Bramanna (Case No. 10) of two visams of Inam land, the Board being left to settle the amount of Caticobudy, to be thereafter paid, on receipt of certain information from the Collector.

3. This information, however, was never received, nor was any action taken upon the Order of Government, though duly communicated to the District.

4. In the meantime the same two visams came again under the consideration of Government in connection with the lapse of another portion of the original Inam of which these two visams formed a part, and it was then directed (Extract from Minutes of Consultation, 12th April 1858, No. 471,) that this latter part, as well as two other shares, should be resumed as unauthorized alienations by the villagers.

5. It will thus appear that the share held by Prayaga Bramanna was eventually resumed, though orders had been issued for its continuance to him for life. The two orders were passed, it will be observed, within a few weeks of each other, but having reference to different statements of a complicated nature, the mistake was not extraordinary.

6. This individual has recently petitioned the Board on the subject, and as on inquiry the facts of the case appeared as above stated, the Board directed the Collector to carry out the original order of March 1858, i. e., to restore the Inam to the Petitioner on life tenure, and to report what the mesne profits from the land have been, in order that steps might be taken to re-imburse the Inamdar.

7. Mr. Carmichael has accordingly carried out the Board's directions, and reports that the mesne profits from the year of resumption to 25th November last, when the land was restored, amount to Rupees 101-15-6.

8. I am accordingly directed to request sanction for the refund of this amount to the Inamdar.

9. The Collector proposes to fix a quit-rent of three Rupees upon the land, and this sum will be collected retrospectively.

I have the honor to be,

Sir,
