No. 226. Read the following Proceedings of the Madras Government in the Public Department:—

Proceedings of the Madras Government, Public Department,
8th December 1866.

No. 18. Read the following letter from the President of the Municipal Commission, Combaconum, to the Secretary to Government, Fort Saint George; dated Vallam, 28th November 1866, No. 7.

I have been requested by the Municipal Commissioners of Combaconum to inform them whether the term "lands", as used in Sections 37 to 44 of Act X of 1865, is intended to include lands already paying assessment to Government, as also Inam lands.

2. It appears from the Commissioners' letter that a considerable quantity of irrigated Nunjah land, already paying Government assessment, is situated within the limits of the town of Combaconum, and as I am in great doubt whether it was intended that such land, as also Inam land, should be liable to further taxation, I have the honor to request the orders of Government on the subject.

3. In Act IX of 1865 (the Municipal Act for the Town of Madras) Section 49, there is a distinct proviso as regards lands unappropriated to building purposes, but no such proviso is contained in Act X of 1865.

No. 19. ORDER THEREON, 8th December 1866, No. 1245.

The Governor in Council sees nothing in Act X of 1865 (Madras), to warrant the supposition that "lands" within the Municipal limits, paying assessment to Government, are, on that account, exempt from taxation under Sections 37 to 44.
