*Proceedings of the Madras Government, Public Works Department,
7th December 1866.*

No. 83. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 27th November 1866, No. 1,464:—

3 Abstract Estimates.
3 Specifications.
2 Plans.

1. I have the honor to submit, for sanction, three estimates with plans and specifications for platform bridges in the Madura District, viz.:—

For a platform bridge of six vents, each 5 by 4 feet... Rupees 1,330
For do. of five vents, „ 5 „ 3½ „ ... „ 1,070
both of these being in the neighbourhood of Dadampetty, on the road between Ammainaickenoor and Madura.

For a platform bridge of five vents, each 4½ by 4½ feet, on the road between Dindigul and Palkanooth... Rupees 870

2. The want of bridges has been experienced on the two roads as an obstruction to the traffic, which is considerable; and the importance of the roads has been brought forward by the Collector of Madura and the Board of Revenue.*

* Vide G. O. No. 2,957 of 15th Sept. 1865.

Allotments have been made from the Budget grant, under "Minor repairs to roads," for both of these lines of road, as reported in my letter† No. 909 of the 8th September 1866; and when I stated, in a subsequent letter,‡ that the funds had been

fully allotted, I had, at that time, arranged with the Collector to prepare and submit to Government the estimates now enclosed, the aggregate amount of which, Rupees 3,270, would be provided from the allotment "Minor repairs to roads."

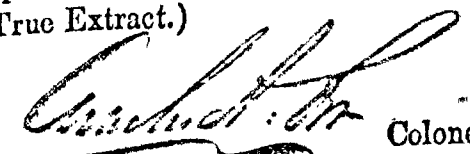

3. A similar application for the transfer of funds from Repairs to Minor New Works was approved in G. O. No. 3,348, of the 8th November 1865, and I would request authority to proceed with the three bridges, estimated at Rupees 3,270, in anticipation of the sanction of the Government of India being accorded to the transfer of that sum from "Minor repairs to roads, &c.," in the Madura District, to Minor New Works, Communications.

No. 82. ORDER THEREON, 7th December 1866, No. 3,865.

CIVIL WORKS, No. 19.

1. The estimates, submitted with this letter, amounting in the aggregate to Rupees 3,270 and the transfer of funds proposed by the Superintending Engineer of the 8th Division are sanctioned, in anticipation of the approval of the Government of India.

2. The works may be at once proceeded with.
