No. 276. Read the following Proceedings of the Board of Revenue, dated 28th November 1866, No. 8,545 :—

Read again letter from the Collector of North Arcot, dated 9th October 1866, No. 299, recorded in Board's Proceedings, dated 26th October 1866, No. 7,785.

Read also the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 8th November 1866, No. 331.

1. With reference to the Board's Proceedings, dated 26th ultimo, No. 7,785, I have the honor to state, that the amount which I have recommended to be given as compensation, viz., Rupees 38-5-9, was computed at the ordinary price at which land of the same quality is sold in the neighbourhood.

2. The sum of Rupees 60-4-1, given in the column of "Estimated annual rent value," merely represents an average of the prices at which grain was sold in the Arcot Talook during past years, without reference to the vicissitudes of season and other elements of uncertainty, which would affect the productiveness of the particular plots in question. At the figure proposed, Rupees 38-5-9, the Board will find that, under the first item, the compensation is equivalent to eighteen years' purchase; in the second and fourth items, twenty-two years; and in the third, nine years; the land in all these cases being dry.

Statement of remuneration on land or otherwise proposed to be given to Inamdars in lieu of their Inams which have become unprofitable from causes beyond the Inamdars' control or some act of Government, in the District of North Arcot.

1. Ordered that the foregoing papers be submitted to Government, with the Board's request that sanction may be accorded for the grant of land measuring Kanis 3-4-12, assessed at Rupees 21-10-4, in lieu of State and Religious Service Inám land measuring Kanis 3-0-4, assessed at Rupees 21, taken up for public purposes, the difference in the assessment, viz., Rupee 0-10-4, being charged as quit-rent against the single Inám in which it occurs.

2. Sanction will also be requested for the payment, from Imperial Funds, of Rupees 38-5-9, on account of Personal Inám land taken up for Imperial works, and Rupees 74-8-0 from Local Funds in the North Arcot District for similar land occupied for local roads, the total extent of the land being Kanis 2-9-2, assessed at Rupees 6-3-2, and the compensation being calculated on the price obtained at sales of similar land in the same neighbourhood.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th October 1866.

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 9th October 1866, No. 290 :—

1. Under instructions conveyed in the Board's Circular Order, No. XVII., Board No. 4,441, dated 29th June last, I have the honor to submit, for their sanction, the enclosed Statement of compensation in land or money to be granted to Inamdars in lieu of Inams, wholly or partly appropriated for Imperial and Local Roads in this district.

2. This Statement contains seven personal, one Religious, and five State Service Inam claims.

3. The details connected with these claims are shown in the General Registers, sent to the Board on the 24th November 1865, and 14th June 1866, against their respective general numbers.

4. Among State and Religious Service Inams, an area of K. 3-0-4, assessed at Rupees 21, was appropriated, in lieu of which it is proposed to give land measuring K. 3-4-12, and assessed at Rupees 21-10-4; the excess, viz., Annas 10-4, will be charged on the Inamdar concerned, in the form of quit-rent.

5. For land taken up from personal Inams, amounting to K. 2-9-2, and assessed at Rupees 6-3-2, cash compensation has been awarded to the amount of Rupees 112-13-9, Rupees 38-5-9 of which, are for Imperial, and Rupees 74-8-0 for Local Roads.

6. Three of the claimants whose State Service Inams are entered in the enclosed Statement against the Wallajah taluk, ask a further compensation of Rupees 80-4-9, being about nine years assessment of their Inam lands appropriated for public purposes, on the plea that the service for which these Inams were originally granted, has been remitted; for this item, I will shortly submit a separate application for the Board's orders.

7. I may observe, in conclusion, with reference to paragraph 7 of the Board's order under reply, that there are still nearly 310 more claims of this nature remaining unadjusted. These are the arrears of past years, and will be submitted by instalments as the statistics are received from the taluks concerned, to which the most stringent orders have been sent on the subject.

8. The items entered in paragraph 5 of this application will be met from the Local Fund Budget of 1866-67, and from Imperial Funds at the disposal of the Superintending Engineer, 4th Division.

ENCLOSURE No. 1.—Statement.

---

1. The Board do not understand how a payment of Rupees 38-5-9, as proposed by the Collector in the first four cases in his Statement, can compensate for lands whose estimated annual rent value is Rupees 60-4-1.

2. The Statement will be returned to the Collector for re-consideration.
