1. The Governor in Council observes that the Officers, whose names are entered in the margin, have not passed the prescribed tests, although they have been acting as Deputy Collectors and Magistrates for some time. They will now be informed that they must pass in the principal languages of their districts at the examination of Junior Civil Servants, which will be held about the middle of next year, and the other tests at the examination of next August. Failing in either of these respects, they will be removed from their appointments, if they be then holding them.

2. The Government are not aware whether Mr. J. W. Johnston has passed the prescribed tests. If he has not, he will be required to do so at the examinations above specified. He was appointed, it is remarked, in April 1865, on probation.

3. Mr. A. M. MacGregor (if he has been unsuccessful at the recent examination) will be required to pass the tests in Revenue Regulations and Precis writing in August next. The Revenue and Lingual Tests, it is believed, he has already passed. He was also appointed on probation in April 1865.

4. Mr. W. A. Symonds, who was transferred to the Deputy Collector and Magistrate's Department in March last, will be required to pass the Revenue and Judicial Tests at the examination (at latest) in August 1868.
