Proceedings of the Madras Government, Revenue Department, 18th December 1866.

No. 317. Read the following Proceedings of the Board of Revenue, dated 9th October 1866, No. 7,245.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 6th October 1866, No. 304:—

1. I have the honor to bring to the notice of the Board that great difficulty is found in carrying on the work of this district without an officer specially deputed to have charge of the Salt Department.

2. At present the salt duty is carried on by the Head English Clerk, whose work is performed by Mr. D'Silva, the Head Accountant, by which arrangement, all the chief part of the account work falls upon a young and inexperienced man.

3. The Treasury Deputy Collector informs me, if Mr. D'Silva is not restored to his own office, he cannot send in his returns to the Accountant General, as required. To this I object, because, if Mr. D'Silva does not assist me in the Correspondence Department, I cannot furnish answers to letters from the Board, Government, &c., &c.

4. I have, therefore, the honor to request the Board will apply to Government to have some officer appointed to the district to have charge of the Salt Department, which office has now been vacant for more than two months.

Submitted for the consideration and orders of Government.

No. 318. ORDER THEREON, 18th December 1866, No. 3,416.
