Proceedings of the Madras Government, Revenue Department,
19th December 1866.

No. 327. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Nundial, 10th December 1866, No. 2,134 :—

1. I have the honor to inform you that I have just inspected the Chinchona plants planted out on the Nallay Mallay mountains in this district.

2. Fifty-six plants were despatched from Ootacamund, and of these fifty-four arrived at Nundial in a growing state, but some ten were very sickly ; the whole were planted out in a moist valley at the top of these mountains (about 3,000 feet elevation). Thirty-eight appear to have grown well for some time, but six of these have gradually died off. There are now thirty-two remaining, which all seem healthy, and some very promising. The six plants which have lately died seem to have been cuttings that had scarcely sufficient roots originally. It now remains to be seen how these plants will stand the hot season.

No. 328. ORDER THEREON, 19th December 1866, No. 3,421.
