Proceedings of the Madras Government, Revenue Department.

Referring an application from the Superintendent Revenue Survey, for the entertainment of certain men of the Sappers and Miners on the Neilgherry Survey. } Here enter 27th Nov. 1866, No. 3243.

From the Officiating Assistant Adjutant General, Fort Saint George, 4th December 1866, No. 507.

Submitted for the orders of Government.

From the Conservator of Forests, Central Provinces, Nagpore, 19th November 1866, No. 753; to the Adjutant General, Fort Saint George.

I have the honor to solicit the favor of your informing me, whether the provisions of the G. O. G. published in the Madras Gazette of 8th November 1866, permitting men of the Native Army to take appointments in the Public Works Department, without forfeiting their position in the Native Army, may be considered applicable to the Forest Department also—I should be most glad if this is the case to avail myself from time to time of the advantages offered by the Order, and would furnish a list of appointments available, which run from 10 Rupees to 150 Rupees per mensem.

2. The Forest Department, although in these Provinces it is managed in the Civil Department, as regards the Government of India, is managed exclusively in the Department of Public Works.

3. Some of the best men I now have in the Department are from the Native Army, and one who was formerly Drill Havildar of the 26th Regiment Native Infantry, is now drawing 150 Rupees a month in the Forests. It would, I think, be but fair, if possible, that these men should benefit by giving the Order a retrospective effect in their favor in regard to pensions. It is true they would get eventually pensions in the Civil Department, but in doing so, they would lose all claim to count as service the time passed in the Army.

Order, No. 4313, 12th December 1866.

Ordered that the Proceedings in the Revenue Department above recorded, be communicated to His Excellency the Commander-in-Chief, with a view to the services of the men in question, if available, being placed at the disposal of the Superintendent of Revenue Survey.

2. The foregoing correspondence will be submitted to the Government of India, with a request that this Government may be informed, with reference to the unattached list for Non-Commissioned Officers and Soldiers of the Native Army, formed under the provisions of G.O.G. G., No. 260,* dated 14th March 1865, being solely in connection with the Public Works Department, whether men required for employment in other Departments, such as the Revenue Survey, Forest, &c., may be transferred to that list, and, if so, whether under the same conditions as regards pay and pension, as apply to men transferred to the Public Works.
