Proceedings of the Madras Government, Judicial Department,
12th December 1866.

No. 40. Read the following letter from the Agent to the Governor of Fort Saint George in Vizagapatam, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 26th November 1866, No. 312.

The village of Aurada (or Padava, as it is sometimes called from its suburb), the Head Quarters of the "Aurada" Taluq in Jeypore, has proved so extremely unhealthy, that it becomes necessary to recommend that it shall be abandoned by the Sub-Magistrate and his Office. The deaths have been so numerous, and the removals from sickness so constant, that we find the greatest difficulty in getting men to volunteer for it, and the establishment is always disorganized. I imagine the water is deleterious, for the place itself lies in a fine breezy plateau, and should not be more insalubrious than others in the neighbourhood.

2. It is proposed, therefore, to remove the Sub-Magistrate to "Nandapur," a decent sized village, about 15 miles north, and to call it the "Nandapur" Taluq. The situation is somewhat less centrical, but it is the best that offers. A Cutcherry, built of mud and roofed with thatch, erected by the local Officers when Aurada was first selected, is the only public building we give up.

3. The sanction of Government is solicited for this transfer.

No. 41. ORDER THEREON, 12th December 1866, No. 1920.
The proposed transfer is sanctioned.
