No. 157. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 2nd February 1866, No. 1,572 :—

1. A piece of ground at Kalai Bridge, Calicut, has been long used for storage of Nilambur timber by the Bombay Government, who gave up their Depôt last year, the same land is now occupied by Mr. Ferguson for storing the thinnings of the Teak Plantation.

2. The land measures Acre 1 Grounds $19\frac{1}{2}$, this not being sufficient for our requirements, an adjoining slip belonging to the same proprietor (Shoi Kutti Muppen) has been added.

3. The annual rent paid by the Bombay Government for the old *dépôt* was 50 Rupees, and for the supplemental ground 30 Rupees is charged, total 80 Rupees *per annum*, and considering the excellent situation between the bridge and the sea, the demand is not exorbitant. A larger sum might be obtained by parcelling it out amongst the Moplah timber merchants.

4. The proprietor will not sell for any consideration, but he is ready to grant a lease for twelve years. I beg to propose that the Collector be requested to arrange this matter; he concurs with me that the opportunity should not be lost.

No. 158. ORDER THEREON, 8th February 1866, No. 345.

Forests, No. 2.

The Collector of Malabar will accordingly take the land on lease for twelve years, at 80 Rupees per annum, for the Forest Department.
