No. 439. Read the following Proceedings of the Board of Revenue, dated 3rd December 1866, No. 8,621.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 29th September 1866, No. 2,602:—

1. Trevicrama Santo, of the Moharry family, who was drawing a pension of 15 Rupees a month, died on the 24th May last, leaving a son named Brajasoondara Deo, a widow, three daughters, and his mother unprovided for.

2. From the recommendation of the Madras Government, sanctioned by the Government of India under date the 5th December 1851, it would appear that Trevicrama Santo had only a life-interest in the pension; but, looking to the destitute condition of the family, I venture to recommend that two-thirds of the pension enjoyed by the deceased, viz., Rupees 10, may be sanctioned to Brajasoondara Deo during his life-time.

---

1. Submitted to Government, with the Board's recommendation that, as proposed by the Collector of Ganjam, a pension of 10 Rupees per mensem (being two-thirds of the lapsed allowance) be continued to the son of the deceased, subject to report on his death, from the 25th May 1866, the date following that of his father's demise.

2. On referring to paragraph 5 of the letter of the Collector and Agent in Ganjam, dated 23rd January 1851, to the Commissioner, Northern Circars, and to paragraph 4 of the Commissioner's letter, dated 5th April 1851, to Government, the Board find that, in the case of the present deceased, it was recommended that the pension proposed to be granted to him should, on his death, be continued in a reduced proportion to his family, and the Board consider this course to be in accordance with the usual practice in such cases.

No. 440. ORDER THEREON, 22nd December 1866, No. 3,474.

Miscellaneous.

In accordance with the recommendation of the Collector and the Board, the Governor in Council resolves to request the Government of India to sanction the continuance of Rupees 10, being two-thirds of the pension drawn by the deceased, to his son Brajasoondara Deo.

Wm. She deceased was an illegitimate
Brother of the ex? m. dar. When his
pension was granted in 1857 the Commissio
ners of the Northern Circars recommended
that a portion of it should be continued
to his heirs after his death; but the Govt
recommended the Govt of India to grant
a life pension & did nothing in favour
of continuing it. A life pension was
accordingly granted by the Govt of India,
& the Govt confirmed it. Any petitions to the
family sanction must be applied for.
