With reference to Proceedings and Order of Government, dated 13th November 1866, No. 3,072,
No. 265, Miscellaneous.
I have the honor, in the absence of the Commissary General, to inform you that, in accordance therewith, I have forwarded a Memorandum of the cost of the rice therein referred to, to the Secretary Famine Relief Committee on the 16th November 1866; but as no reply has yet reached me from him, I conclude that the rice is not required. I have, however, again addressed him on the subject, and, in the meantime, pending a reply, as the season for the favorable disposal of this rice is fast passing, I would propose that advertisements should be issued inviting tenders for the purchase of all the rice which may not be required by the Famine Committee.
