REVENUE DEPARTMENT.
FORT SAINT GEORGE,

No. 457.

No. 3,483.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

Forests. No. 15.

1. With reference to No. 1 of the Rules laid down in the Government of India Forest Standing Order No. 3, dated 12th October 1866, I am directed to forward, for the consideration and orders of that Government, the accompanying papers* relating to an application made by the Officiating Conservator of Forests for raising the salaries of the Head Overseer and Writer of the Salem forests; the former from Rupees 60 to 100, and the latter from Rupees 20 to 30 per mensem.

* Procs. of Govt. 4th Sept. 1866, Nos. 53. 54.
Do. do. 18th Dec. ,, ,, 310—312.

2. In explanation of the necessity for this increased expenditure, Captain Beddome states that the work in these forests has largely increased of late, and that the Deputy Conservator is unable to procure men to hold the appointments in question on the present rates, which are much below those paid in most other districts.

3. It will be seen from the Statement enclosed in Captain Beddome's letter of 15th September, that the net revenue derived from these forests, during the last three years, averaged Rupees 23,700 per annum. Future receipts will be larger, owing to the recent restoration of the bamboo seigniorage, which was discontinued in 1865-66.

4. Under these circumstances, I am directed to recommend the proposed increases to the salaries of the servants above-mentioned for the sanction of the Government of India, with effect from the commencement of the ensuing official year, and to request that the necessary provision for them may be made in the Budget for 1867-68 now before your Government.

5. A Tabular Statement in the prescribed form is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) J. D. SIM,
Secretary to Government.

2. In explanation of the reasons for the non payment of this account at the time of the settlement of the other accounts of the Agency to which it belonged, I have to state that the Agent Mr Brown died before he had completed the settlement of his accounts, and that the Executors of his estate declined having any thing to do with the business, in consequence of which the settlement was delayed for several years after the death of the Agent.

to hold the appointment question in the present letter, which accounts below those paid in most of these districts.

3. I shall be seen from the statement enclosed in Captain Jones's letter of 15th Sept. that the net revenue derived from these Forests during the last three years averaged Rs 23700 per annum. Future receipts will be largely affected by the recent extension of the Bombay Railway which was opened in 1865/66.

4. Under these circumstances I am directed to recommend the proposed increase to the salaries of the servants whose appointments for the sanction of the Govt of India with
