PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th September 1865.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 30th August 1865, No. 203 :—

1. With reference to paragraph 9 of the Board's Miscellaneous Circular, No. LXIX., Board No. 3,431, dated 22nd June 1865, I have the honor to report that of the two Bungalows discontinued in this District, under the orders of Government communicated in the Board's Circular referred to, viz., Kodavaluru and Nagaluppalapadu, the Officer in charge of the Centre Range, Department Public Works, is willing to take charge of the Kodavaluru Bungalow to be made use of as an office and Taluk store, &c., for the portion of the Nellore Taluk lying in his range, any repairs that may be required being made from the allotment for the works in progress in that

part of the range. I enclose copy of Mr. Smith's letter,* and beg to add that the Bungalow was

transferred during last month, on the above conditions, to the Department Public Works; the furniture previously belonging to the Bungalow I have had brought into Nellore, and will use for the other Bungalows.

2. With regard to the Nagaluppalapadu Bungalow, I have the honor to report that the Acting Sub-Collector is of opinion that the best plan would be to sell the premises as it stands, or to pull it down, and dispose of the materials in the most profitable manner; and in this opinion I concur.

3. I enclose, for the orders of the Board, copy of the Acting Sub-Collector's letter† on the subject, and trust the arrangements made, as regards Kodavaluru, will have the Board's approval.

† Dated 25th August 1865, Standing No. 10.

ENCLOSURE No. 1.

From R. SMITH, Esq., Executive Engineer in charge, Centre Range, Nellore District, to J. W. B. DYKES, Esq., Collector of Nellore, dated 4th July 1865, No. 54.

In reply to your letter, No. 135 of 30th ultimo, informing me of the abolition of the Travellers' Bungalow at Kodavaluru, and requesting me to state if I would wish to retain it and if so, what arrangements could be made for its repair in future, I have the honor to inform you, the building in question would be very useful and convenient as a Taluk office and store; it is now being repaired by contract, and will not require any further outlay for a considerable time; but when such becomes necessary, the expenditure might be charged to the works in progress, in the portion of the Nellore Taluk attached to this range.

(Signed) J. W. B. DYKES,
Collector.

ENCLOSURE No. 2.

From the Honorable J. C. St. CLAIR, Acting Sub-Collector of Nellore, to J. W. B. DYKES, Esq., Collector of Nellore, dated Ramapatam, 25th August 1865, No. 10.

1. I have the honor to acknowledge the receipt of your letter No. 141, dated 18th instant, informing me of the arrangements originally proposed by the Board of Revenue, in their Proceedings dated 7th October 1864, for making over discontinued public Bungalows to the District Officers on the understanding that they are to be kept up at their own expense.

2. As stated in my letter of the 23th July, No. 7, the Bungalow at Nagaluppalapadu is so seldom frequented by District Officers, that it will not be worth the while of the latter to incur the expense, however small, and the responsibility of keeping it up, whether for their own use exclusively, or for that of occasional travellers. There is at present no public use to which this Bungalow can be devoted, nor is any likely to arise in future. The best course, I think, would be to put the Bungalow up to public auction at an upset price to be determined by the value of the materials for building purposes. In the event of no purchasers coming forward, it

might be demolished, and the materials made available for the Taluk Cutcherry now in course of erection at Ongole, or for any public work. The furniture might, with advantage, be distributed among the remaining Bungalows, and the crockery, &c., retained for supplying occasional losses and breakages.

(True Copy.)

(Signed) J. W. B. DYKES,
Collector.

The Collector is requested to fix an upset price for the Nagaluppalapada Bungalow, and to obtain the opinion of the Superintending Engineer of the Division as to the propriety of the transfer of the Kodavatur Bungalow to the Department Public Works.
