*Proceedings of the Madras Government, Financial Department,
31st January 1866.*

No. 59. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Fort William, 30th December 1865, No. 3642.

With reference to the accompanying copy of a Circular issued by the Board of Revenue, Madras, in which sanction has been conveyed to the indulgence of leave on half pay, on Medical Certificate, for one year during the

whole term of service, to Peons in the establishments under the control of the Board, I am directed to state that the half pay will be a charge additional to the full pay required for the substitutes of the Peons, and that the Board has exceeded its authority in sanctioning an additional expense of the kind for occasions of absence which are beyond the scope of the orders of the 31st March 1864.

2. The indulgence authorized by the orders of this Department, Nos. 1345 and 2675, dated, respectively, the 19th July and 29th September 1864, was restricted to Peons receiving Medical aid from an Hospital, as in-door or out-door patients, i. e., to those sick at the stations where they are serving; the indulgence of half pay during sick leave to their homes was not contemplated.

3. The Board of Revenue desires to limit the indulgence for each Peon to a period of one year during his term of service. Were the indulgence otherwise admissible, this limitation of it would be nugatory, owing to the difficulty of ascertaining a Peon's service, and keeping him in view during his changes of employment.

1. The foregoing letters are the replies to the Board's Miscellaneous Circular, dated 21st May 1864, No. 3124.

Proceedings of the Madras Government, Financial Department,

31st January 1866.

2. The Circular was issued in consequence of a Resolution of Government of India, that Peons, when sick *in Hospital*, should receive half their salaries. This indulgence was to be experimental for one year, from the 1st of June last.

3. It appears, from the letters above recorded, that the practice in this Presidency varies in different Districts, but, as a rule, the case of each Peon is dealt with on its merits.

4. The Board are of opinion that a general rule might, with advantage, be introduced, and resolve accordingly to authorize Collectors to grant leave to Peons absent from their duty, in consequence of *certified* ill-health, for a period of one year, during their term of service, and to permit them to draw half salary during such absence.

5. Short periods of absence from duty not exceeding fifteen days on each occasion, may, however, be permitted, without any deduction from salary, the absentee being required to provide a substitute, on such terms as the Collector may deem proper.
