*Proceedings of the Madras Government, Public Works Department,
8th February 1866.*

No. 227. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Paramagoody, 29th January 1866, No. 2,177 :—

1. With reference to paragraph 1 of G. O. No. 3,600 of the 2nd December last, I have the honor to report that I have been able to reduce the cost of re-flooring the Meyloor Taluq Cutcherry, and beg to substitute an abstract estimate of Rupees 400 for the one previously submitted amounting to Rupees 600.

2. I consider that the cut-stone of the old fort is the most suitable material for the purpose, as it will make a good floor, and there will be no occasion for future repair.

3. I have directed the Range Officer to carry on the work without delay, and propose for sanction the following transfer of funds :—

FROM 2ND RANGE, MADURA.

Agricultural.

Repairs to Canal... .. Rupees 400.

TO 1ST RANGE, MADURA.

Civil Buildings.

Repairs to Meyloor Taluq Cutcherry.

No. 228. ORDER THEREON, 8th February 1866, No. 487.

CIVIL WORKS, No. 23.

The revised estimate submitted with this letter, amounting to Rupees 400, for re-flooring (with the cut-stone of the old fort) the Taluq Cutcherry at Meyloor, in the Madura District, is sanctioned for immediate execution, funds being provided, by transfer, from the allotment for Repairs under "Agricultural," in accordance with the recommendation of the Superintending Engineer.
