*Proceedings of the Madras Government, Revenue Department,
17th February 1866.*

No. 319. Read the following Proceedings of the Board of Revenue, dated 24th January 1866, No. 552.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Kodaikanal, 18th December 1865, No. 329:—

1. In reply to the Board's Proceedings, No. 7,477, dated 21st November 1865, I have the honor to report that I applied to the Civil Judge for the adjustment of interest in regard to the mesne profits of Fuslies 1263 and 1264, similar to those of Fuslies 1268, 1267, 1266, and subsequent years, and the Judge in his reply to me, dated 13th December 1865, informs me that he is not competent, under the Circular Order of the Sudder Udalt, dated 28th January 1830 C, to interfere with, or modify his own or his predecessor's orders and decisions, and that, in the present instance, he sees no grounds for reducing the interest for the mesne profits of Fuslies 1263 and 1264.

2. Copy of the Civil Judge's letter is herewith submitted for the Board's information.

3. Referring to paragraph 4 of the Board's Proceedings under reply, I beg to report that there has been previously no occasion for the employment of the services of the Government Vakeel in similar cases, and no fees were, therefore, paid to him on that account.

4. The instructions of the Board in paragraph 3 will be borne in mind when the Civil Judge applies to me for remitting to him the sum collected from the estate during the past Fusly.

From the Civil Judge of Madura, to the Collector of Madura, dated 13th December 1865, No. 359—

I have the honor to inform you, in reply to your letter of the 6th instant, No. 2,097, that I am not competent, under Circular Order of the Sudder Udalt dated 28th January 1830 C, to interfere with, or modify my own or my predecessor's orders and decisions, and that, in the present instance, I see no grounds for reducing the interest for the mesne profits for the Fuslies 1263 and 1264, the mesne profits for those Fuslies being decreed, and bearing the usual twelve per cent. interest. The reduced interest seems to have been fixed by the Acting Civil Judge on the idea that the higher rate should cease from the date of the decree.

1. Submitted to Government, with reference to the correspondence noted in the margin, and with the Board's recommendation that the remittance of the mesne profits with interest, amounting together to Rupees 62,736-0-4, to the Civil Judge of Madura, on account of the Erasakanaickenur Poliem be sanctioned.

2. The assets of this Poliem in deposit with the Collector were shewn in Enclosure No. 2 of his letter, dated 27th April 1865, read in the Board's Proceedings, dated 18th May 1865, No. 2,613,

provision of the current year under a head which will be determined by the Board in communication with the Accountant General.
