FOR ORDERS.

Pending submission of certain detailed estimates called for and ^{issued} final orders on the subject of the allotment under loans required in this Presidency, the Govt. of India telegraphed on 30.9.87 to limit further outlay to one lakh for cases of necessity. The necessary instructions were accordingly issued to the Board of Revenue which directed Collectors to restrict further grants to Rs 15,000 in the case of each of the affected districts and to Rs 10,000 in the case of Madras, pending final orders of the Govt. of India. Referring to this order, the Collr. of Madras ~~on~~ 16.11.87 stated that demands for loans were pressing and requested to be informed how long the restriction re: grant of further loans was to last. The Collr's

letter was submitted for the Orders of Govt and the Board of Revenue was informed that the restriction will last throughout the remainder of the official year unless the Govt of India sanctions an additional grant before its close.

2. The Special Dy Collr, Madras, now states that, from 1st Oct. up to 26 Nov, he has received applications, (mostly from the purchasers of waste lands recently sold) involving an amount of Rs 39,000, that he expects many more applications as the sales of waste lands in other villages are to take place shortly, that the public were given to understand that loans would be given for the reclamation of the waste lands, that the sudden stoppage of loans at a time when people are busy converting the lands into wet would work hardly on ^{many} ~~many~~ and may also affect the results of the ensuing sales. He ^{further} ~~also~~ states that in many loans cases, the payment of second instalments have become due and accordingly requests

sanction to a grant of Rs 20,000 for the to meet demands in the remaining portion of the year and to an immediate allotment of Rs 20,000 for payment before the Christmas holidays.

3. The Collector of Madras supports the application and apprehends ~~that~~ ^{that} unless funds are supplied at an early date serious loss of revenue to Govt and much discontent among the purchasers of Govt waste lands will ~~be the~~ result. The Board of Revenue request to very early order and suggest that the Govt of India be moved by wire to sanction the additional allotment required for the purpose, as the sudden stoppage of advances must involve breach of contract in many cases and loss of water-rate to a considerable extent, besides discouraging many intending bidders at the ~~asson~~ impending sales.

The Govt has recently

did that C.O. 801 Rev. was
24.9.17

and intended to prohibit the grant
of ~~second instalments of loans~~
under the Land Improvement Loan
Act. As regards the additional

allotment applied for, A sum
(inclusion of 10000 already allotted)
of Rs 87,600 has been provided
in the revised estimate under
of 18.32 lakhs

the Loans Act for grant to holders
of dry lands under the Periyar,
and application has also
been made to the Govt of India
for a grant of

~~Rs 18 lakhs for the purpose of~~
~~the Periyar project~~
~~15.82 lakhs~~
15.82 lakhs

(Thorey - 2.5 budget grant).
If this grant is made by the
Govt it will give Madurai
only Rs 77,600 against Rs 90,000

now applied for. Orders are
solicited as to whether the
former amount will suffice
or whether the revised estimate

should be further raised
so as to enable us to give
an additional Rs 90,000 to
Madurai. If it is decided
that the revised estimate

is 11/17

NOTE FOR THE CHIEF SECRETARY.

With reference to the
Rev. Dept. Draft sent for c.r., it is submitted
that it would be safer to make it
quite clear to the Board that pending
further orders of
~~the Government of India~~ no further grants
advances should be made in Madura
or anywhere else as the one lakh
limit has been already exceeded. In
view of recent occurrences it does not
seem that the instructions to the Board
in this matter can be too precise

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read - Proceedings of the Board of Revenue, Rev. Sett. Misc.No.9810 dated 8th December 1897, submitting for the very early orders of Govt. letter from the Collector of Madura applying for an allotment of Rs. 90,000 under the Loans Acts for the reclamation of lands under the Periyar Project.

Order thereon, Misc.No.6526 d/ 24th Decr. 1897.

A provision of Rs. 87,600 has been made for the grant of Land Improvement loans in Madura during the second half of the year in the detailed estimates recently forwarded to the Govt. of India. Of this amount Rs. 10,000 appears to have been already spent so that if the Govt. of India should allot the amounts applied for by this Govt., the sum available for disbursements in Madura during the remaining months of the current year will be only Rs. 77,600. The Govt. is of opinion that this amount will suffice and is not prepared to raise further the estimates now with the Govt. of India.

2. The Govt. of India will be requested in the Finl. Department to pass early orders on the above estimates. The Board will however ~~clearly~~ clearly understand that as the limit of one lakh fixed by the Govt. of India has been exceeded no advances can be permitted in Madura or elsewhere pending reply and additional allotment from the Govt. of India.
