*Proceedings of the Madras Government, Revenue Department,
19th February 1866.*

No. 358. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 13th February 1866 :—

1. I am directed by the Board of Revenue to report, for the information of Government, that the Ganjam Season Report and Price List just received, states that some deaths from absolute starvation occurred last month in the Berhampore Talook.

2. The reports of the season prospects are most disastrous from almost every District; rising prices, failing crops and wells, tanks almost dry, and total absence of rain, are the characteristics of almost every report.

No. 359. ORDER THEREON, 19th February 1866, No. 446.

Miscellaneous.

The Board will instruct the Collectors of the Districts referred to in paragraph 2 of these Proceedings to keep them apprised of the state of the season, and to suggest such remedial measures as they may consider necessary.
