*Proceedings of the Madras Government, Revenue Department,
21st February 1866.*

No. 401. Read the following Proceedings of the Board of Revenue, dated 12th February 1866, No. 987.

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 25th January 1866, No. 12 :—

1. Referring to the concluding paragraph of my letter, No. 7, dated 19th instant, I have the honor to bring to the notice of the Board, that T. Soondarum Pillay has, in his letter to me, dated the 23rd instant, applied for a good service pension, on the ground of his having served for a period of thirty-six years.

2. The detailed list of the services furnished by that officer is under examination. I will in due course make the necessary application to Government on the subject.

3. As Soondarum Pillay retires from the 1st proximo, I have, in anticipation of the sanction applied for in my communication above quoted, this day called on Raghunada Row to resume charge, on the above date, of the Treasury, to which appointment he, as therein shewn, stands already gazetted. This arrangement entails no inconvenience whatever; the compensation on lands required by the Great Southern of India Railway has now been fixed, and Raghunada Row assures me that he has little to do beyond supervising the preparation of the Railway Bills, and the payment of compensation to parties concerned; as each Bill is received duly audited by the Controller of Public Works Accounts, and that he can conveniently attend to this limited work, while transacting the Treasury duties.

4. Consequent on Soondarum Pillay's retiring, a Deputy Collector for general duties remains to be appointed to this District in due course.

1. Submitted for the information of Government.

2. The Board have already permitted Raghunada Row to resume the Treasury charge.

No. 402. ORDER THEREON, 21st February 1866, No. 466.

Miscellaneous.

Ordered to be recorded.

As Soondaram Pillay retires from the 1st proximo, I have, in anticipation of the sanction applied for in my communication above quoted, this day called on Raghunada Row to resume charge, on the above date, of the Treasury, to which appointment he, as therein shown, stands already gazetted. This arrangement entails no inconvenience whatever; the compensation on lands required by the Great Southern of India Railway has now been fixed, and Raghunada Row assures me that he has little to do beyond supervising the preparation of the Railway Bills, and the payment of compensation to parties concerned, as each Bill is received duly audited by the Controller of Public Works Accounts, and that he can conveniently attend to this limited work, while transacting the Treasury duties.
