*Proceedings of the Madras Government, Revenue Department,
6th February 1866.*

No. 94. Read the following letter from the Collector of Madura, to the Chief Secretary to Government, Fort Saint George, dated Madura, 25th January 1866, No. 152 :—

1. A vacancy having occurred in the Office of Assistant Superintendent of Sea Customs at Devipatam on a salary of Rupees 20 per mensem, one Sunkaraja Rau, who had passed the General Test Examination, has been nominated to it, as no person qualified for the office by passing the prescribed Special Test is available either in this District or in any other I am aware of, I therefore beg the Government will be pleased to authorize payment of salary to Sunkaraja Rau on the condition of his appearing for the Special Test Examination on the next opportunity.

2. I believe this class of servants should pass the Special Test, as although they are styled Assistant Superintendents they are in independent charge, exercising all the powers of a Superintendent, only receiving a less rate of pay with reference to the amount of work expected of them.

No. 95. ORDER THEREON, 6th February 1866, No. 313.

Miscellaneous.

1. Sanctioned on the condition stated.

2. Assistant Superintendents in independent charge must pass the prescribed test.

*By appointing under it is not necessary
for a man on 20 Rupees to pass even the
General Test & obtain a clerkship. Res.
further these Assistant Superintendents I
look in my Report to Govt 12 Sep 1861. See
Proc. Govt of 1st Nov. 1861 No. 2087 as follows:
"Then are several ports indeed which return no Custom dues
but inlets they are closed then must be a clerk to take an
account of exports & imports. He collect any duties that may
at any time be payable & which are perhaps very small.
One clerk on Assistant Super's salary may suffice as
in Bellary District for several ports but then expense small
as it is with even be repaid by the receipt of custom
These clerks will not have much work to perform & may
be employed by collectors on other duties in the neighbourhood
of their respective ports & p. 3 / Again, p. 16. — it will probably
be better to place the Sea Customs Assistant Super's under the*

"direct order of the Zambardar to whom they can offer
 assistance in other revenue matters besides the
 supervision of the Dept of Salt Dept"
 The salaries of Assistant Super^r was fixed at
 30 Rs - 20 Rs and 15 Rs.

Since it is not necessary that these men should
 be required to perform the Special work & but
 as it is not a difficult one then it is no harm
 in their doing it - 15 Feb 66

On further consideration
 the Government has
 resolved to cancel para 2
 of their order dated 6th
 instant No 313, the
 pay of Assistant
 Superintendents of Sea Customs
 being very
 low and their duties
 unimportant.
