No. 422. Read the following Proceedings of the Board of Revenue, dated 15th January 1866, No. 317.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 5th January 1866, No. 1:—

1. I have the honor to forward, for the consideration of the Board, the enclosed copy of an application from Samba Moorthy Iyer, the Sub-Magistrate of Trivady, to be allowed to appear at the next Modified Test Examination.

2. If he pass it will enable him to draw the higher rate of salary recently sanctioned, as well as render him eligible for promotion to the grade of Tahsildar, for which he is otherwise well qualified.

3. Samba Moorthy Iyer's service extends over seventeen years, and though he has not served in the Revenue Department the prescribed period, to entitle him to the privilege, still with my knowledge of his character and qualifications, I have no hesitation in recommending his application for the Board's favorable consideration.

4. He was appointed to his present post nearly four years ago, and as Salt Superintendent of Mercanum he exercised the powers of a Talook Magistrate for about another two years; thus for nearly six years, and before the present rules came into force, he was a Sub-Magistrate and did all the duties, and with great credit. It, therefore, seems hard to give retrospective effect to the rule in Samba Moorthy's case, which may, I think, be treated exceptionally.

5. I have already reported on the qualifications of this Officer when submitting my list of persons qualified for the post of Tahsildar, and I need only refer to the testimony I then bore, which has been further confirmed by my subsequent experience of him.

6. It would be too much to expect of Samba Moorthy at his age, and occupied as he always is, to read up for the higher Test Examination, and indeed it would be impossible for him to do so, and at the same time efficiently to carry on his public duties.

7. Under these circumstances, I solicit that the application of Samba Moorthy may be complied with; and that the Board will submit it, with their recommendation, to the favorable consideration of Government, as in the case of the Sub-Magistrate of Conjeveram, whose claims I believe to be in no way superior, whether as regards length of service, or other qualifications, to those of the present applicant.

8. I beg to add that the next Modified Test Examination is appointed for the 27th proximo, and if possible, it is desirable that Samba Moorthy should present himself on the occasion, and which he proposes to do, if meanwhile the necessary permission be granted.
