*Proceedings of the Madras Government, Revenue Department,
22nd February 1866.*

No. 423. Read the following Proceedings of the Board of Revenue, dated 13th February 1866, No. 1,021.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Gudiatum, 31st January 1866, No. 21 :—

1. In obedience to the instructions contained in paragraph 5 of the Proceedings of the Board, dated 22nd ultimo, No. 8,294, I have the honor to report that all my Assistants have provided themselves with the requisite number of tents.

2. At the request of my Acting Head Assistant, Mr. Price, I beg to forward copy of his letter* to me, in which he says, that he had provided himself with the prescribed equipment of tents, very much within the period allowed by the Board, and that he gathers, from the appearance of his name in the Proceedings immediately under reference, that the Board were under the impression, that he had failed to comply with orders, and had been drawing extra tent allowance to which he was not entitled. I think Mr. Price's sensitiveness has taken unnecessary alarm.

* Dated 22nd January 1866, No. 28.

From the Acting Head Assistant Collector of North Arcot, to the Collector of North Arcot, dated Caveripauk, 22nd January 1866, No. 28.

1. With reference to your letter, No. 41, dated 17th instant, I have the honor to inform you that I have now three tents; two 14x14; another somewhat larger, and a baggage tent.

2. I beg further to state that I long since reported to you, as will be seen by reference to my letter marginally noted, that I had provided myself with the requisite number of tents, as directed in the Order of No. 338, dated 16th February 1865.

No. 78, dated 20th March 1865.
" 101, " 28th April "

3. I gather, from the appearance of my name in paragraph 4 of the Proceedings of the Board of Revenue, No. 8,294, dated 22nd December 1865, that the Board were then under the impression that I was one of those Officers who had failed to comply with orders issued to me, and was drawing extra tentage allowance to which, under the recent rules, I was not entitled.

4. As, however, I not only provided myself with the proper tents, very much within the time allowed by the Board, but also notified to you that I had done so, I beg that a copy of this letter may be transmitted to the Board for their information.

The Board observe that the Collector's previous letter, on which they assumed the strength of Mr. Price's Tent equipage, was dated some months previous to their Proceedings, and that consequently their assumption was incorrect.

No. 429. ORDER THEREON, 22nd February 1866, No. 480.

Miscellaneous.

The Government consider that Mr. Price acted very properly in shewing that he had not drawn tentage without keeping up the proper complement of tents.
