*Proceedings of the Madras Government, Revenue Department,
22nd February 1866.*

No. 430. Read the following Proceedings of the Board of Revenue, dated 2nd February 1866, No. 796.

Read the following letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated 17th January 1866, No. 6 :—

1. With reference to a discrepancy which Colonel Winscom was kind enough to point out to me verbally the other day in the expenditure on the Anicut, as shewn in my report of the 23rd ultimo, paragraph 3, and in the statement which accompanied it, I have the honor to inform you that, on inquiry, I find a mistake has been made in the report, and the statement is correct.

2. Taking in the expenditure on the Nellore Tank, which was excluded from the statement that accompanied last year's report, the total expenditure from 1854-55, when the Anicut was commenced, has been Rupees 7,69,719 ; and the increase of revenue in the current year, according to the comparison ordered by Government, being Rupees 65,000, the return on the outlay may be roughly stated at eight per cent., and not fourteen per cent., as I erroneously concluded in the first instance.

Submitted for the information of Government in continuation of the Board's Proceedings, dated 18th January 1866, No. 429.

No. 431. ORDER THEREON, 22nd February 1866, No. 481.
