*Proceedings of the Madras Government, Public Works Department,
16th February 1866.*

No. 371. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 5th February 1866, No. 3,050 :-

No. 3,205, dated 25th October 1865.
 " 3,431, " 15th November "
 " 3,567, " 24th do. "

1. With reference to Government orders marginally noted, I have the honor to submit a revised estimate of Public Works Revenue for the current year 1865-66, the cause of the delay in the submission of which was explained in my Memorandum No. 2,949 of 31st January 1866.

2. The Accountant General's estimate,* which is herewith forwarded, amounts to Rupees 3,10,899-2-6, from which how-

ever the following items have been omitted from my estimate for the reasons noted against each :-

Recoveries of advances on account of previous year's expenditure, and refunds of the former year's allotment for lands, &c.	Rs. A. P. 1,98,457 4 3	The greater portion of this amount is the balance of Rupees 2,20,000 advanced to the Collector of Godavery by the Public Works Department, which will have to be credited in the accounts to the head "Advances to Civil Officers." It is therefore not Public Works Revenue.
---	---------------------------------------	---

Undisbursed portion of advances made by the Public Works Department, for imperial works executed by the Civil Department.

This amount also will have to be credited to "Advances to Civil Officers," and is therefore not Public Works Revenue.

Income Tax.
 Contribution in aid of Public Works.... ..

394 13 0
 4,235 0 9

No provision for these receipts in the form of estimate for 1865-66, and therefore not taken into account.

Miscellaneous.
 Received from the Range Officers.

3,554 0 0
 506 8 6

It is not known what is the nature of these receipts, and to what heads they are applicable.

Total... 2,08,932 7 0

3. It is believed that the Civil Estimate does not completely exhibit the receipts from canal collections in this Presidency, where navigable canals are not confined to the Districts of Godavery, Kistna, and Madras, as they are known to exist in the Malabar District also. This circumstance was noticed in my letter to Government, No. 2,122, dated 21st November 1865, and recorded in their Proceedings, No. 3,567, dated 24th idem.
