No. 444. Read the following Proceedings of the Board of Revenue, dated 2nd February 1866, No. 786.

Read the following letter from the Acting Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 16th October 1865, No. 216:—

1. As directed in the first paragraph of the Board's Proceedings, dated 28th September 1865, No. 6,084, I have the honor to submit a revised Statement of the Yeomiah case therein referred to, with the amount of the pension specified in column 2. In the Statement sent in the first instance, the amount was not inserted in column 2, as it was shewn distinctly in column 8, which was considered sufficient.

2. The delay in reporting this case for orders, as in several previous cases, occurred chiefly in the Talook. The death of the Yeomiahdar was not reported till twenty-one months after its occurrence, and when it was reported, the necessary information for preparing the usual Tabular Statement for submission to the Board was not completely furnished, thus rendering a further reference to the Tahsildar necessary.

3. As I have already pointed out, in replying to a similar reference from the Board, the difficulty of procuring the attendance of the parties concerned, appears to have been the chief cause of delay in the Talook, though the conduct of the officers who held the post of Tahsildar at the time is also blameable to a certain extent. Of the two Tahsildars who held charge, one is about to retire, and the other has been transferred to another Talook, with less pay and less work. I do not, therefore, consider that at this distance of time, any further notice of the remissness of these officers is necessary.
